Hard-of-Hearing Persons* Ewa Domagała-Zyśk, Edit H. Kontra, 2016-09-23 Deaf and hard of hearing students form a specific  
group of foreign language learners They need to use foreign languages just like their hearing peers if they want to enjoy the  
same benefits of globalization and technical advancements of today yet they cannot take part in the same foreign language  
education As sign language users lip readers or persons relying on hearing aids or cochlear implants in their everyday  
communication they need special support in learning a foreign language This book has been written by teachers and  
researchers involved in teaching English as a foreign language EFL to deaf and hard of hearing students in various different  
European countries including the Czech Republic France Hungary Norway Poland and Serbia The chapters mirror both the  
authors personal journeys through this field and give insight into various aspects of empirical research into the foreign  
language acquisition of hearing impaired learners They discuss mainly the issue of specific methodology for teaching EFL  
vocabulary grammar reading writing and speaking to deaf and hard of hearing persons and the challenge of effective  
communication during the classes via sign language cued speech or the oral approach Special chapters are also devoted to  
EFL teachers experience in special schools for the deaf Educators interested in practical advice responses to challenges and  
worked out solutions to problems will particularly welcome this book as a useful source of ideas It will also help novice  
teachers embarking on their careers in English language education for deaf and hard of hearing children and adults

*Grammar in ELT and ELT Materials* Graham Burton, 2023-06-06 This book investigates the content of the grammar  
syllabus typically employed in mainstream English Language Teaching Using a mixed methods approach the author examines  
how the syllabuses used in coursebooks are actually constructed how they evolved and how valid their contents are as a basis  
for teaching The research reported consists of a broad exploration of primary sources in order to outline the evolution of ELT

pedagogical grammar ten interviews with key ELT authors and publishing professionals which allows for the investigation of the decision making processes underlying the choice of grammar content in ELT teaching materials and finally the presentation of case studies which examine three areas of grammar analysing the evolution of their treatment in ELT materials both historical and contemporary and comparing their current treatment to data on real learner use This book contributes to the literature on syllabus design and pedagogical grammar and builds on existing research into materials design It will be of interest to researchers and professionals working in the fields of applied linguistics pedagogical grammar curriculum design and materials design
