**Nothing Lasts Forever** Dr Anniekie Ravhudzulo, 2010-11-18 When night comes look at the sky If you see a falling star dont wonder why just make a wish Trust me it will come true because I did and found Jesus Christ Sometimes we think that things will never change in life I dont know anyone who has not yet experienced pressure of one kind or another in life It may raise its head swiftly and unexpectedly Or we may see and feel it coming slowly but surely like a slight crack in the wall of a building going up or down You might arrive late for some event and miss something special This is a minor pressure and it usually does not last long its an everyday occurrence that does not really matter very much There are many such pressures On the other hand the pressure of realising that the dream you had has failed to come true may overcome you You may feel depressed because of the loss of your spouse the chaos in the workplace the loss of friends or the insincerity of those you considered friends a lack of understanding on the part of your family heartache that never seems to end or feeling that God does not hear your prayer There are more types of pressure than there is grass growing on the plains of the Highveld Do not give up when you still have something to give I know that through Christ I am strong enough to make all my dreams come true I know love therefore I give love I recognise that my love has great value and must be reciprocated If my unconditional love is taken for granted it doesnt disappear I am quite capable of articulating my needs I know that with God the world is my playground but without God I will just be played with I understand that my life experiences are merely lessons meant to bring me closer to self knowledge and unconditional self love I know that I will at times have to inspire others to reach the potential God gave them I know my past understand my present and face my future I am not afraid of

**Hacking Your Life - The Power of the Heart** Emmanuele Landini,2024-10-31 Imagine yourself lying in a silent room Around you there is stillness yet within you an invisible current flows It is a moment of deep peace where every worry and doubt melts away In that instant you feel a profound connection to everything around you as if the entire universe is in sync with your thoughts and desires It is love that envelops you transforming you making possible what just moments before seemed unimaginable This was my first conscious experience of manifestation I clearly remember the moment when holding my son then so small and innocent the world seemed to stand still It was a difficult time filled with uncertainties and worries but in that instant everything I desired crystallized with absolute clarity I wanted well being for my family a better life for my son This desire was not driven by ego but by the deepest love I had ever felt The next day reality began to respond Opportunities that had seemed impossible until then appeared and in less than a month everything had changed From that moment on I understood that the true power of manifestation doesn t lie in the rational mind but in the heart When we desire with pure love without attachment to the outcome the universe responds in ways that defy all logic In this book I want to share with you what I have learned I want to show you how you can hack the simulation we call reality using love as the main tool to manifest your truest desires It s not about complicated techniques or magical formulas but about a natural and truthful process that you can activate with the right awareness If you ve ever felt deep within you that there is something more that the reality you live in can be shaped then this book is for you

**Beyond Suffering** John Harries,2014-11-14 If God is all powerful and all loving why do innocent people suffer This question is the principle reason why many claim they cannot believe in God Suffering is intensely personal exposing our vulnerability and making us fearful It is the prime motivation for prayer and when those prayers go unanswered we feel betrayed In this book the author John Harries explores our dilemma through the experience

of Job whose struggle to find an explanation for his suffering has been specifically recorded to answer our deepest questions. The revelations Job receives from God form the most complete and profound teaching on suffering ever written. John Harries explores the close parallels between Job's story and the life of Jesus, further showing that Job anticipates Christ and foresees in him our salvation. He argues that through Job, believers encounter Christ in his passion and discover afresh the gospel of redemption. He offers a pastorally relevant explanation for righteous suffering, encouraging a deeper awareness of God's presence, a growing confidence in sharing our faith, and a greater understanding of how to respond biblically to those who question why a loving God should allow suffering.
