New English File Clive Oxenden, Christina Latham-Koenig, 2005 English File third edition: Intermediate: Workbook with key Christina Latham-Koenig, Clive Oxenden, Jane Hudson, 2013-04-25 *A New English Dictionary on Historical Principles* James Augustus Henry Murray, Sir William Alexander Craigie, Charles Talbut Onions, 1901 **Teaching and Researching English Accents in Native and Non-native Speakers** Ewa Waniek-Klimczak, Linda R. Shockey, 2012-12-14

Second language phonology is approached in this book from the perspective of data based studies into the English sound system as used by native and non native speakers of the language The book offers a unique combination of psycholinguistic sociolinguistic and pedagogical approaches with individual contributions investigating the effect of selected conditioning factors on the pronunciation of English With all the richness of approaches it is a strong phonetic background that unifies individual contributions to the volume Thus the book contains a large body of original primary research which will be of interest to experienced scientist practitioners and lecturers as well as graduate students planning to embark on empirical methods of investigating the nature of the sound system **A New English Dictionary on Historical Principles: part 1. H (1901)** James Augustus Henry Murray, 1901 **English as a Foreign Language for Deaf and Hard-of-Hearing Persons** Ewa Domagała-Zyśk, Edit H. Kontra, 2016-09-23 Deaf and hard of hearing students form a specific group of foreign language learners They need to use foreign languages just like their hearing peers if they want to enjoy the same benefits of globalization and technical advancements of today yet they cannot take part in the same foreign language education As sign language users lip readers or persons relying on hearing aids or cochlear implants in their everyday communication they need special support in learning a foreign language This book has been written by teachers and researchers involved in teaching English as a foreign language EFL to deaf and hard of hearing students in various different European countries including the Czech Republic France Hungary Norway Poland and Serbia The chapters mirror both the authors personal journeys through this field and give insight into various aspects of empirical research into the foreign language acquisition of hearing impaired learners They discuss mainly the issue of specific methodology for teaching EFL vocabulary grammar reading writing and speaking to deaf and hard of hearing persons and the challenge of effective communication during the classes via sign language cued speech or the oral approach Special chapters are also devoted to EFL teachers experience in special schools for the deaf Educators interested in practical advice responses to challenges and worked out solutions to problems will particularly welcome this book as a useful source of ideas It will also help novice teachers embarking on their careers in English language education for deaf and hard of hearing children and adults **Grammar in ELT and ELT Materials** Graham Burton, 2023-06-06 This book investigates the content of the grammar syllabus typically employed in mainstream English Language Teaching Using a mixed methods approach the author examines how the syllabuses used in coursebooks are actually constructed how they evolved and how valid their contents are as a basis for teaching The research

reported consists of a broad exploration of primary sources in order to outline the evolution of ELT pedagogical grammar ten interviews with key ELT authors and publishing professionals which allows for the investigation of the decision making processes underlying the choice of grammar content in ELT teaching materials and finally the presentation of case studies which examine three areas of grammar analysing the evolution of their treatment in ELT materials both historical and contemporary and comparing their current treatment to data on real learner use This book contributes to the literature on syllabus design and pedagogical grammar and builds on existing research into materials design It will be of interest to researchers and professionals working in the fields of applied linguistics pedagogical grammar curriculum design and materials design
