Remembering My Creator Since My Youth Understanding Christianity:

Remembering My Creator Since My Youth David Anderson, 2014-08-01 As its title implies this book is the outcome of a lifelong application of Ecclesiastes 12 1 It is not primarily about the science versus the Bible debate but about the more important matter of what the Bible the Word of God teaches about creation and the need for 21st century Christians to stand for this teaching in an increasingly materialistic and secular world marked by aggressive and hostile atheism Science at its best is only relative truth for today and may be proved wrong tomorrow but Scripture is absolute truth which abides forever As a teenager the author experienced the penetrating effect of God's Word and after a career of over forty years as a practising industrial chemist he remains as convinced as ever of the accuracy and inerrancy of the Bible As the uniquely reliable source of truth about all matters of the Christian faith it should be no surprise that it clearly addresses the issues relating to the origins of the universe the world and life itself Indeed creation is a bedrock under the whole of Bible truth To deny question or even modify the Genesis account is to challenge the truth of God It is by faith that Christians understand that the universe was created by the word of God So what must I believe about creation This apologia for the biblical view attempts to answer that crucial question **The Christian Union** Henry Ward Beecher, 1873 **The Christian treasury (and missionary review)**. , 1847 "The" Church Catechism Explained, by Way of Question and Answer, and Confirmed by Scripture Proofs John Lewis, 1801 **Speaking to the Soul** Vicki K. Black, 2009-09 The flourishing website EpiscopalCafe.org produced by the Diocese of Washington attracts several thousand visitors a day Its popular column Speaking to the Soul which contains a concise well developed spiritual reflection for every day of the year draws from many different sources including scripture church history saints biographies books of prayers liturgies and ancient and contemporary theologians and spiritual writers This daily reader grew out of that column It follows the Episcopal Church's liturgical seasons and includes observation of major feast days as well as saints days The reading for a particular saint's day might be taken from the saint's writings prayers or biography or might develop a theme such as martyrdom or growth in the spirit Other readings focus on particular emphases of the seasons the Incarnation during Advent and Christmas spiritual disciplines during Lent or speak more generally to the Christian life prayer discipleship ministry the sacraments conflict and reconciliation and so on Readings are taken from every century of the church's life with particular attention to how the writings and experiences of earlier Christians can shed light on the difficulties joys and concerns of the church today Excerpts are long enough to give a satisfying and complete context of the writer's intended meaning **The Youth's Companion** , 1831 *The Anamosa Prison Press* , 1902 **The Farmers, Mechanics, & Servants' Magazine** Jeanne-Marie Leprince de Beaumont, 1812 **A Body of Divinity: Wherein the Doctrines of the Christian Religion, are Explained and Defended ...
