Touched by Bipolar Joss Smith Wesson, 2015-10-14 I find this book a beautiful piece of retrospective writing full of sensitive insight and tender descriptions The introduction is quite breathtaking as an anticipation of the events that will come later and is also a glimpse into the authors thoughts and especially his character The introduction is also important in the way that it starts the question about the arrogance of society in relation to the painful misfortune of a person enduring a so called mental illness Society lifts its shield of indifference in order to build its precarious opulence out of the pain of the mentally ill person I became familiar with the way that events are communicated so powerfully and particularly enjoyed witnessing the journey through the hardships and wonders of the authors adolescence in Africa I was taken by the miracle of his description of the mysterious landscapes and places that inhabit his many memories His work in various farms weekends with friends the awakening of love his impressions of the Zulu workers and the motorbike all early memories that have a mix of innocence and candid enthusiasm colored by tender sensuality The episode with the girls in the bus leaves the impression of being at one with the author in being fully aware of the experience while being acutely conscious of his feelings and meanings In another chapter I found myself dramatically touching his experiences as a schoolboy in England and the difficulties of learning and relearning the peculiarities of the culture and the feelings of vulnerability finding his place in a foreign country The author shows a lot of courage enduring this moment in his life Another one of my favorite chapters was the unforgettable journey across Australia as a hitchhiker A journey colored by freedom and friendship Everything in the book is an anticipation of the authors meeting with Belinda All women including Beauty are only affinities that have led to the real essence of love all preparations for it It is not difficult to understand the authors good fortune at being capable of holding in his mind and dreams the power of love and to be loved by a woman This is the heart of the book The mix of styles and poetry is powerful strength of the book Many great authors have tried these combinations Goethe Emerson Flaubert and even Shakespeare with amazing aesthetical results The poet knows the language of the spirit Life and death love and sadness loneliness are all mystical reflections which are the nourishments of the poems All elements of the authors reality are beautifully drawn in a rhythmic space This book travels beyond the intentions of comprehension of

a medical condition The mental pain experienced during the outbreak of depression is the material which gives birth to a reflective piece of art Beauty comes from unexpected sources and this book is about the beauty of life Martin Clunes - The Biography Stafford Hildred,Tim Ewbank,2013-09-02 Martin Clunes has been a familiar face on British television for almost two decades During that period he has starred in some of the best loved shows of modern times including Doc Martin William and Mary and of course he phenomenally successful Men Behaving Badly He was introduced to acting at a young age His father a successful actor and theatre manager who gave Peter Ustinov his first break tragically died of cancer in 1970 leaving his wife Daphne their daughter Amanda and 8 year old Martin Years later it was Daphne s cousin Jeremy Brett the actor famous for playing Sherlock Holmes who encouraged Martin to take up acting professionally Martin worked regularly through the 1980s but when he was spotted by comedian Harry Enfield and subsequently made regular appearances in his popular sketch shows he was catapulted into the big time After landing the role of Gary in Men Behaving Badly he has gone from strength to strength Never one to be pigeonholed Martin has played a broad range of roles including a serial killer in A is for Acid and Burbage in the Oscar winning film Shakespeare in Love More recently he has also presented two of the most popular documentaries on television Islands of Britain and Martin Clunes A Man and His Dogs *Oxford Treasury of Sayings and Quotations* Susan Ratcliffe,2011-10-13 Contains quotations proverbs and phrases from throughout history and around the world grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth Includes a list of themes and a keyword index A 1980s Childhood Michael A Johnson,2011-11-30 Do you remember trying to solve the Rubik s cube whilst dressed in your He Man picture pyjamas Did you try to make cool sound effects with your mouth like Jones from Police Academy Or maybe you swooned over Scott and Charlene s aka Jason and Kylie s wedding of the year If that sounds like you there s no mistaking you were a child of the eighties Rev up your DeLorean switch on the Flux Capacitor and take a cruise back through the decade that made you the person you are today This amusing and entertaining collection of reminiscences will jog the memories of all who grew up in the same decade where greed was good mullets were cool and white dog poo littered the streets **Here Comes The Clown** Dom Joly,2015-05-21 In 2004 Dom Joly wrote a spoof autobiography called Look At Me Look At Me In Here Comes the Clown he takes up the story of his life from 14th January 2000 when the very first episode of Trigger Happy TVaired on Channel 4 and everything changed for him Suddenly he was famous reality was weirder than any fiction he could conjure up This is the story of what happened next through snippets of recollections from his adventures in showbusiness **Two Centuries of Shoemaking** Ken Holmes,1992 The story of Startrite Shoes of Norwich the oldest footwear manufacturing company in England *Catalog of Copyright Entries* Library of Congress.
