“After the same manner also he took the cup, when he had supped, saying, This cup is the new testament in my blood: this do ye, as oft as ye drink it in remembrance of me.

“For as often as ye eat this bread, and drink this cup, ye do shew the Lord’s death till he come.”

The Blood and The Covenant Dramane Traore, 2024-10-30 The Blood and the Covenant by Dramane Traore is a powerful unveiling of the divine covenant established not through ritual religion or retribution but through the eternal blood of Christ This book confronts the legalistic frameworks that have distorted the meaning of covenant and restores its true nature intimate union sustained by presence not performance Traore takes the reader into the holy architecture of God s covenant with man revealing that the blood of Jesus was not merely the price of forgiveness but the seal of inseparable union The covenant is not a contract to be managed it is a life to be shared It is not kept alive by offerings or sacrifices but by the indwelling presence of the One who died and rose to fulfill it forever In this revelatory work Traore calls the Church to rise from transactional Christianity and enter into relational life with the Covenant Himself The blood does not merely cleanse it invites It opens the way into communion access and inseparable life This is not a covenant of striving or debt It is the eternal joining of God and man in Christ The Blood and the Covenant dismantles the illusion that holiness is a payment for access and declares that the presence of God is not a reward it is the covenant itself The veil is torn the price is paid and the dwelling is open You are not maintaining your part of the deal you are living in the fulfillment of His This is the covenant of presence This is the blood that speaks

Blood and Belief David Biale, 2007-10-23 A wonderful rich and fascinating book and a great read Biale explores the meanings of blood within Jewish and Christian cultures from the blood of the sacrifices of the book of Leviticus to the blood of the Eucharist to the blood of medieval blood libels and the place of blood in Nazi ideology Biale shows that blood symbolism stands at the center of the divide between Judaism and Christianity This book will be the point of departure for all future studies of the subject Shaye J D Cohen Harvard University I know of no other work that through numerous insights and useful distinctions so alerts us to and comprehensively documents the ongoing constitutive role of Christian and anti Semitic perceptions of Jewish existence and the interactions between them Whereas much contemporary historiography has become so specialized that historians have surrendered the larger picture David Biale s panoramic perspective reveals the

The Power of the Blood George Mfula , The Power of the Blood is worth reading There is untapped power in the blood of Jesus No devil can stand the blood that Jesus shed on Calvary Our redemption in Christ Jesus is a function of the blood He shed for us Each time you engage the mystery of the blood of Jesus in your life sickness and disease can't stand you It is an error as a church to do away with the blood of Jesus which Jesus Himself used to purchase His glorious Church Any church that will do that has missed it and needs a lot of spiritual help In this book we are going to talk about the blood of Jesus nothing else We may have blood today in this world but only the blood of Jesus is what matters It is an enormous risk to be a child of God and know nothing about the blood of Jesus There are some churches where the blood of Jesus never matters or gets mentioned Pastors have stopped preaching about it God forbid It is scary and a reduction to the entire purpose of God's divine plan of the blood I believe it is time for you and me to revisit our spiritual foundations The mystery behind the blood of Jesus dates back as far as the blood God shed in the Garden of Eden When Adam and Eve sinned against God they needed atonement for them to stand before God Otherwise there was no way they could have even spoken to Him God Instead God killed an animal and used the blood to cover their spiritual nakedness Then He used the animal skin to cover their physical nakedness Shedding blood for atonement was instituted by God in the Garden of Eden It is non negotiable Get this book You will scale greater heights of wisdom understanding knowledge and spiritual growth in Christ Jesus
