Religions Are Remixes Seth M. Walker, 2024-07-26 This book utilizes an approach that centers on remix theory and conceptual metaphor theory arguing for an examination of the study of religion via a model for analyzing cultural constructs that the author terms Remix After discerning the metaphorical correspondences underlying his argument the author claims that the shift in conceptual and terminological framing remix provides can assist in understanding religious phenomena and developments differently paying close attention to the sorts of meanings implications and assumptions that are disrupted and subverted as a result The chapters indicate how notions of originality authenticity and authority are problematized and challenged from the perspective modeled by Remix with Buddhist philosophy occupying a significant role in the demonstrative examples This book will be of interest to remix theorists and conceptual metaphor theorists because it advances a new approach to applying both remix and metaphor to the study of cultural constructs It will also be valuable for those studying religion and digital culture especially Buddhist thought and practice as it proposes a new lens through which religiosity can be defamiliarized and critically analyzed

The Queen Chronology (2nd Edition) Patrick Lemieux, Adam Unger, 2018-04-11 REVISED EXPANDED 2ND EDITION The Queen Chronology is a comprehensive account of the studio and live recording and release history of Freddie Mercury Brian May John Deacon and Roger Taylor who joined forces in 1971 as the classic line up of the rock band Queen Years of extensive research have gone into the creation of the Chronology which covers the very beginnings of band members careers their earliest songwriting efforts and recording sessions through the recording and releasing of Queen's 15 original studio albums with their classic line up to the present day solo careers of Brian May and Roger Taylor All of this information is presented date by date in chronological order with detailed descriptions of each song version including those both released and known to be unreleased Every Queen and solo album single non album track edit remix and extended version is examined as are known demos or outtakes pre Queen recordings and guest appearances

Betwixt and Between David Johnston, Stephen Kelly, 2009-10-02 Betwixt and Between place and cultural translation examines the often fraught relationship between

conceptions of place and the attempt to translate them critically politically and ethnographically for native and non native audiences Examining translation in a number of key contemporary geo political contexts including Northern Ireland Venezuela India Italy Canada Germany France and the Middle East and in a variety of genres including poetry drama film television advertising and the novel in multiple languages Betwixt and Between argues for the curiously fruitful dislocation of translation as a discourse and practice Contributors argue that by attending to the curiously placeless place of the translator translation studies might better police the quiet pieties of nationalism ethnic singularity and cultural homogeneity which have so destructively determined the politics of the last two centuries and which threaten to overwhelm our understanding of current cultural and political antagonisms **The Mike Oldfield Chronology (2nd Edition)** Patrick Lemieux,2018-05-28

The Mike Oldfield Chronology Second Edition is a comprehensive look at the recording and release history of the man who for over 40 years has created some of the world s most innovative and groundbreaking music This Chronology covers every aspect of Mike Olfield s recording career from his early days with his sister in the folk duo The Sallyangie to his joining Kevin Ayers And The Whole World through the recording of his albums and his numerous guest appearances The information is presented date by date in chronological order accompanied by detailed descriptions of each song version and non album track edit remix extended version and demo some released and some unreleased It also covers Mike s tours and live appearances *Understanding the Bible* Jerry Ruff, Sr.,2008 Understanding the Bible A Guide to Reading the Scriptures

Heather Urbanski,2010-03-08 Is it true that in this era of digitization and mass media reading and writing are on the decline In a thought provoking collection of essays and profiles 30 contributors explore what may instead be a rise in rhetorical activity an upsurge due in part to the sudden blurring of the traditional roles of creator and audience in participatory media This collection explores topics too often overlooked by traditional academic scholarship though critical to an exploration of rhetoric and popular culture including fan fiction reality television blogging online role playing games and Fantasy Football Both scholarly and engaging this text draws rhetorical studies into the digital age *Together, Somehow* Luis Manuel Garcia-Mispireta,2023-06-30 In Together Somehow Luis Manuel Garcia Mispireta examines how people find ways to get

along and share a dancefloor a vibe and a sound Drawing on time spent in the minimal techno and house music subscenes in Chicago Paris and Berlin as the first decade of the new millennium came to a close Garcia Mispireta explains this bonding in terms of what he calls stranger intimacy the kind of warmth sharing and vulnerability between people that happens surprisingly often at popular electronic dance music parties He shows how affect lubricates the connections between music and the dancers Intense shared senses of sound and touch help support a feeling of belonging to a larger social world However as Garcia Mispireta points out this sense of belonging can be vague fluid and may hide exclusions and injustices By showing how sharing a dancefloor involves feeling touch sound sexuality and subculture Garcia Mispireta rethinks intimacy and belonging through dancing crowds and the utopian vision of throbbing dancefloors Grimoires Owen Davies,2010

Grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread over the ensuing millennia *Women's International Thought: A New History* Patricia Owens,Katharina Rietzler,2021-01-07

Women s International Thought A New History is the first cross disciplinary history of women s international thought Bringing together some of the foremost historians and scholars of international relations working today this book recovers and analyses the path breaking work of eighteen leading thinkers of international politics from the early to mid twentieth century Recovering and analyzing this important work the essays offer revisionist accounts of IR s intellectual and disciplinary history and expand the locations genres and practices of international thinking Systematically structured and focusing in particular on Black diasporic Anglo American and European historical women it does more than add women to the existing intellectual and disciplinary histories from which they were erased Instead it raises fundamental questions about which kinds of subjects and what kind of thinking constitutes international thought opening new vistas to scholars and students of international history and theory intellectual history and women s and gender studies **The Society of the Spectacle** Guy Debord,2021-04-01 Debord describes and critiques the way we live The power in these ideas lies in their ability to question identify and name the common assumptions of the present Developing the concept of The Spectacle he describes the gaze of contemporary society From its publication just before and ultimately influencing the May 1968 revolt in Paris and Occupy Wall Street this book continues to transform a wide range of progressive philosophical and political movements most notably anti capitalism postmodernism marxism and anarchism This new translation brings a concrete edge to the text elaborating upon the original and adding annotations Bringing fifty years of prominent radical thinking back to the text from Baudrillard to Odell to Zuboff it s clear that Debords book is more relevant in the era of social media the attention economy and the emergence of Surveillance Capitalism than ever before *International Handbook of Media Literacy Education* Belinha S. De Abreu,Paul Mihailidis,Alice Y.L. Lee,Jad Melki,Julian McDougall,2017-04-21 At the forefront in its field this Handbook examines the theoretical conceptual pedagogical and methodological development of media literacy education and research around the world Building on traditional media literacy frameworks in critical analysis evaluation and

assessment it incorporates new literacies emerging around connective technologies mobile platforms and social networks A global perspective rather than a Western centric point of view is explicitly highlighted with contributors from all continents to show the empirical research being done at the intersection of media education and engagement in daily life Structured around five themes Educational Interventions Safeguarding Data and Online Privacy Engagement in Civic Life Media Creativity and Production Digital Media Literacy the volume as a whole emphasizes the competencies needed to engage in meaningful participation in digital culture
