Remy Goes to Therapy Shara Azod, 2010-04-08 Regina is more than willing to play with Remy for a little while but she can't afford to let her heart go unguarded For his part Remy can't stay away from the woman he finds irresistible **Who's who in the world. 1.1971/72(1970)** [Anonymus AC00033125], 1970 **Who's who in American Art**, 1993-12 **The Chevaliers** Shara Azod, 2015-09-22 Complete collection of all five of the Chevalier books Includes Thierry's Angel In New Orleans where old Southern lineages root as deep and tangled as the haughty Cypress two powerful families become entrenched in a battle to preserve pedigrees For the past nine years Thierry Chevalier the strikingly handsome well bred polished son of one of the oldest most powerful white families in Louisiana has been harboring an impassioned desire to captivate the woman of his dreams His desire Angelique Dubois Graceful delicate and sensually delectable Angelique seems as unattainable as she is desirous the daughter of New Orleans mayor member of a proud Black Creole family and engaged to another man But when opportunity opens their fates are magnetized The tempest of passion power and pride that erupts is more sweeping than a steamy Gulf Coast monsoon Remy Goes to Therapy With a family like his Remy had learned not to take anything too seriously and to never let them see him sweat He had learned long ago to hide his feelings behind laughter and his desires behind snark Until Regina There was something about the lovely doctor that went way beyond having a little fun She brought out things he didn't know how to deal with and made him face a past he thought dead Remy decides it is definitely time for some therapy and he knows just the doctor to see The Taming of Katrina Return to New Orleans On the outside she is fire and ice But cool calm and collected Katrina Smith isn't all that she seems Like a rippling pool waves from her past continue to shake her inside Aubrey had always been the studious one but Katrina finds that his depth of knowledge goes far deeper than just books He knows how to set her body ablaze while calming the storms in her sea But can their love survive the maelstrom of trouble that finds them Forever Jade Jade had forever been seen as the good girl the one who is always in the shadows never in the forefront She may have yearned in her heart but would never expect to have caught the eye of not one but two men from the power Chevalier clan She certainly would never imagine them fighting over her Although Rance may be the man she has always dreamed of Didier may be the safer of the two Especially with someone wanted her away from Rance so badly they were willing to try to kill her to do it Rance Chevalier had a lot to hide But not even the darkness of his past can stop him from claiming the woman who set his body and soul on fire He would fight his own past the unseen threat to her life and even his own flesh and blood who thinks to take her for his own to make Jade forever his and Lessons for Solange Solange was in trouble There was no way out she was caught Yes she had been blackmailing her cousin's no good fiancé but she had never meant for anyone to get hurt not physically Determined not to beg she would accept her punishment like a woman That DID NOT mean cowing or begging however not even to the powerful Chevalier family Beaumont and Boden knew they had found a rare treasure All they had to do was break through that shell Solange

surrounded herself in But first they had to get her to trust them with her secrets and eventually her heart
