#### Reading the "Guide for the Fitting of Bodywork for the RENAULT PREMIUM series"

The "Guide for the Fitting of Bodywork for the RENAULT PREMIUM series" ushers in a new type of presentation for bodywork fitting guides.

This new presentation sets out in one single document all those details which are necessary for the bodybuilder and equipment manufacturer to have available.

The data given in the "Guide for the Fitting of Bodywork" ref. (DT 6/354) has been included in the present document under the "General Features" section at the beginning.

You therefore no longer have to refer separately to the "Guide for the Fitting of Bodywork" ref. (DT 6/354) in order to use and understand this document.

The present document consists of two sections:

- A - "General features": This describes the relevant general principles and basic rules applicable for the conversion and fitting of equipment to vehicles in most cases for the majority of applications.
- B - "RENAULT PREMIUM special bodybuilding features": This deals in greater detail with presentation of the vehicle, attachment of the body, electrical pre-arrangements, trade vehicles and trade packs.
- C - "Supplementary information on the RENAULT PREMIUM vehicle": This deals in greater detail with power take-offs, air-operated and specific equipment, assembly of equipment to chassis and cab.

If a topic is dealt with in the three sections, the relative information may be:

- **complementary**: in this case the "Special features" section provides details or values relating to the topic dealt with in "General features".
- **partially or fully contradictory**: when the RENAULT PREMIUM vehicle is endowed with a special feature whose characteristics go against general principles. In such case, the elements regarding this specificity in the "Special features" section supersede those dealing with the same topic in the "General features" section.

You may need, when looking for information on a specific point, to consult the three "General features", "Specific Features" and "Supplementary information on the RENAULT PREMIUM vehicle" sections, so as to ensure that you have obtained all the relevant details.
