# Rewind - Say it better! Disconfirming vs. confirming

# Change evaluation to description

You're acting very immaturely.

Example: "I notice that you are getting upset by this situation."

# Change certainty to provisionalism

The right thing to do is crystal clear

Example: "The right thing to do can be difficult to decide."

# Change strategy to spontaneity

Don't you owe me a favor from when I typed that paper for you last term?

Example, "Remember the term paper I helped you with last term? Do you think you could help me out with one of my own?"

# Change control orientation to problem orientation

I think we should move where I have the good job offer since I earn a larger salary than you anyway.

Example, "In terms of moving, what decision will make the most sense for us in terms of our financial position as well as our relationship?

# Change neutrality to empathy

- I can't believe you got yourself into such a dumb predicament.
- Example, "This is tricky situation. Let's see what we can do to help you address it."

# Change superiority to equality

- I don't want to get involved in your disagreement.
- Example, "I can see where you're coming from with this, and based on what you've said, it seems like it might be best to talk with Susan directly about this issue."
