Sociology of Hope Adrian Scribano,2025-07-01 This book explores the sociology of hope It presents an overview of the state of the art of hope in sociology and proposes a new basic theory of hope linked to the classical theoretical traditions of sociology to the perspective of its founding women and to the reconstruction of the contributions of the theories of revolution utopia social change and collective action In an attempt to understand the sociology of hope as a critical theory and a science of life this book proposes the central elements in theoretical and epistemic terms for establishing connections between ethics aesthetics politics of knowledge and their current strong modifications in the study of society As such the book will appeal to scholars and students interested in emotions particularly from the disciplines of sociology anthropology political science and psychology

Four Pillars of Destiny Jerry King,2011-04-28 Why do we attract the same types of people over and over again Why is it so easy for certain people to find love and so difficult for others The Four Pillars of Destiny A Guide to Relationships answers the age old questions surrounding relationships attractions and true love By referencing the year month day and hour of a person s birth

the ancient Chinese method of Four Pillars will systematically map the blueprint for his or her life in matters of health wealth career love and happiness For countless generations the Chinese have been drawn to the Four Pillars system for its accurate method of divination This system has allowed practitioners the ability to analyze many aspects of a person s life and enlightened the path to capitalizing their cosmic flow when good luck happens The destiny blueprint each of us receives at birth can be used to reveal options and paths that we can act upon during good and bad times in life Using this blueprint we can evaluate where our limits lie and understand what we truly are capable of achieving as well as the type of connections that we can make with those around us

The Polyamorists Next Door Elisabeth Sheff,2013-11-26 Marriage and monogamy are not what they used to be and today many couples are opting to start families before getting married or deciding not to get married at all At the same time gay couples in states that recognize same sex marriage are getting married in droves Some people prefer non monogamy and have relationships that include swinging and polyamory The landscape of American marriage and relationships is changing and a variety of family systems are developing and becoming more common The Polyamorists Next Door introduces polyamorous families in which people are free to pursue emotional romantic and sexual relationships with multiple people at the same time openly and with support from their partners sometimes forming multi partner relationships or other arrangements that allow for emotional and sexual freedom within the family system In colorful and moving details this book explores how polyamorous relationships come to be grow and change manage the ins and outs of daily family life and cope with the challenges they face both within their families and from society at large Using polyamorists own words Dr Elisabeth Sheff examines polyamorous households and reveals their advantages disadvantages and the daily lives of those living in them While polyamorous families are increasingly common fairly little is known about them outside of their own social circles or of the occasional media sensationalism This book provides information that will be useful for professionals with polyamorous clients educators who wish to understand or teach about polyamory and especially people who wish to better understand polyamory themselves or explain it to their potential partners adult children or in laws

My Second Chance Is Your Beginning Antonio Burdette,2022-07-13 My Second Chance is Your Beginnings it s really self explanatory the incidents that I document its placing the focus on young developing minds because that s where it tends to start from being young in a unprecedented environment Because I m not lookin to be fathered by anyone else I have to exercise my fatherly skills of knowin how accurate I can be to a child less fortunate To have an ideal and write it out and work to put forth the funds to make it complete to me that s winning My books are my credentials It s not what a rich man has that makes him rich it s how often he can utilize the riches AAB

The Best Is yet to Come Tara R. Alemany,2013-11-11 After twelve years of living alone as a single parent she hadn't expected to find love again She'd pretty much given up on the idea so when Frank unexpectedly came into her life the result of an errant e mail he turned her world upside down Four months later his unexpected death brought it to a crashing halt Join Tara on her journey as she shares the story of their time together and more importantly the lessons she learned as she rode waves of unanticipated love and grief to ultimately come to the strongest place she'd ever been in her life This true story will speak to and inspire anyone who has ever suffered the loss of a dream by showing how you too can change your perception of that loss from an anchor that holds you back into a beautiful gift that dares you to believe that the best is yet to come

Lifestyle Gurus Stephanie A. Baker,Chris Rojek,2020-01-16 The rise of blogs and social media provide a public platform for people to share information online This trend has facilitated an industry of self appointed lifestyle gurus who have become instrumental in the management of intimacy and social relations Advice on health wealth creation relationships and well

being is rising to challenge the authority of experts and professionals Pitched as authentic accessible and outside of the system this information has produced an unprecedented sense of empowerment and sharing However new problems have arisen in its wake In Lifestyle Gurus Baker and Rojek explore how authority and influence are achieved online They trace the rise of lifestyle influencers in the digital age relating this development to the erosion of trust in the expert professional power bloc The moral contradictions of lifestyle websites are richly explored demonstrating how these technologies encourage a preoccupation with the very commercial and corporate hierarchies they seek to challenge A timely account of how lifestyle issues are being packaged and transacted in a wired up world this book is important reading for students and scholars of media communication sociology and related disciplines Phase II, Japan's Distribution System and Options for Improving U.S. Access ,1990 **Japan's Distribution System and Options for Improving U.S. Access** United States.
