Essential Papers on Jewish-Christian Relations in the United States Naomi W. Cohen, 1990 *Public Relations and the Public Interest* Jane Johnston, 2016-02-12 In this book Johnston seeks to put the public interest onto the public relations radar arguing the need for its clear articulation into mainstream public relations discourse This book examines literature from a range of fields and disciplines to develop a clearer understanding of the concept and then considers this within the theory and practice of public relations The book's themes include the role of language and discourse in establishing successful public interest PR and in perpetuating power imbalances intersections between CSR governance law and the public interest and how activism and social media have invigorated community control of the public interest Chapters explore the role of the public interest including cross cultural and multicultural challenges community and internal consultation communication choices and listening to minorities and subaltern publics *Love's Forgiveness* John Lippitt, 2020 Love's Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean's *Dead Man Walking* Thordis Elva and Tom Stranger's *South of Forgiveness* and Ian McEwan's *Atonement*

Russia-EU Relations and the Common Neighborhood Irina Busygina, 2017-07-20 Examining Russia EU relations in terms of the forms and types of power tools they use this book argues that the deteriorating relations between Russia and the EU lie in the deep differences in their preferences for the international status quo These different approaches combined with economic interdependence and geographic proximity means both parties experience significant difficulties in shaping strategy and formulating agendas with regards to each other The Russian leadership is well aware of the EU's authority orientation but fails to reliably predict foreign policy at the EU level whilst the EU realizes Russia's coercive orientation in general but cannot predict when and where coercive tools will be used next Russia is gradually

realizing the importance of authority while the EU sees the necessity of coercion tools for coping with certain challenges The learning process is ongoing but the basic distinction remains unchanged and so their approaches cannot be reconciled as long as both actors exist in their current form Using a theoretical framework and case studies including Belarus Georgia and Ukraine Busygina examines the possibilities and constraints that arise when the power of authority and the power of coercion interact with each other and how this interaction affects third parties **Complete Year, Grade 4** ,2014-06-02 Complete
