Before You Leap Kermit the Frog, 2006 Kermit the Frog shares the behind the scenes story of his climb from swamp to Hollywood and offers advice on attaining dreams finding love overcoming obstacles and other topics **Interpreting Star Wars** Miles Booy, 2021-01-14 Upon its initial release in 1977 many critics regarded Star Wars as a childish retort to the mature American cinema of the seventies Though full of sound and fury some felt that it signified nothing Four decades later the significations are multiple as interpretations of the film s strange imagery and metaphoric potential continue to pile up Interpreting Star Wars analyses and contextualises the dominant trends in Star Wars interpretation from the earliest reviews through Lucasfilm s attempts to use its position as copyright holder to promote a single meaning to the 21st century where the internet has rendered such authorial control impossible and new entries to the canon present new twists on old hopes

Heterocosms Brian Stableford, 2007-01-01 This new collection of critical essays on science fiction and fantasy literature and media features the following pieces The Last Chocolate Bar and the Majesty of Truth Reflections on the Concept of Hardness in Science Fiction How Should a Science Fiction Story End The Third Generation of Genre Science Fiction Deus ex Machina or How to Achieve a Perfect Science Fictional Climax Biotechnology and Utopia Far Futures How Should a Science Fiction Story Begin and The Discovery of Secondary Worlds Notes on the Aesthetics and Methodology of Heterocosmic Creativity Brian Stableford is the bestselling writer of 50 books and hundreds of essays including science fiction fantasy literary criticism and popular nonfiction He lives and works in Reading England I O Evans Studies In the Philosophy and Criticism of Literature No 39 Not Quite Adults Richard Settersten, Barbara E. Ray, 2010-12-28 Why are 20 somethings delaying adulthood The media have flooded us with negative headlines about this generation from their sense of entitlement to their immaturity Drawing on almost a decade of cutting edge research and nearly five hundred interviews with young people Richard Settersten Ph D and Barbara E Ray shatter these stereotypes revealing an unexpected truth A slower path to adulthood is good for all of us Their surprising findings include Young adults who finish college and delay marriage and child rearing get a much better start in life Few 20 somethings who live at home are mooching off their parents More often they are using the time at home to gain necessary credentials and save money for a more secure future Helicopter parents aren t so bad after all Involved parents provide young people with advantages including mentoring and economic support that have become increasingly necessary to success Not Quite Adults is a fascinating look at an often misunderstood generation It s a must read for parents teachers psychologists sociologists and anyone interested in today s youth culture Visit [www notquiteadults com](http://www.notquiteadults.com) for more information on this revelatory book *Incapacity and Theatricality* Tony McCaffrey, 2019-01-15 Incapacity and Theatricality acknowledges the distinctive contribution to contemporary theatrical performance made by actors with intellectual disabilities It presents a close examination of certain key theatrical performances across a variety of different media including John Cassavetes 1963 social issues film A Child Is Waiting the performance art collaboration

between Robert Wilson and Christopher Knowles and the provocative pranksterism of Christoph Schlingensiefel's talent show mockumentary *FreakStars 3000* Tracing a global path of performances *Incapacity* and *Theatricality* offers an analysis of how actors with intellectual disabilities have emerged onto the main stage and how their inclusion calls into question long held assumptions about both theatre and intellectual disability For postgraduate students or anyone interested in the shifting dynamics of twenty first century theatre McCaffrey's work offers a vital consideration of the intersubjective relations between people with and without intellectual disabilities and ultimately addresses urgent questions about the situation and representation of the contemporary subject caught up somewhere between incapacity and theatricality *Mike Leigh* Sean O'Sullivan, 2011-08-24 The author discusses the British film director Mike Leigh through an examination of his films as well as several interviews with Leigh and finds that he is a director interested in cinema's formal conceptual and narrative dimensions *The Information Society* Robert Hassan, 2013-04-25 What are we to make of the information society Many prominent theorists have argued it to be the most profound and comprehensive transformation of economy culture and politics since the rise of the industrial way of life in the 18th century Some saw its arrival in a positive light where the dreams of democracy of connectivity and efficiency constituted a break with the old ways But other thinkers viewed it more in terms of the recurrent nightmare of capitalism where the processes of exploitation commodification and alienation are given much freer rein than ever before In this book Robert Hassan a prominent theorist in new media and its effects analyses and critically appraises these positions and forms them into a coherent narrative to illuminate the phenomenon Surveying the works of major information society theorists from Daniel Bell to Nicholas Negroponte and from Vincent Mosco to Manuel Castells *The Information Society* is an invaluable resource for understanding the nature of the information society as well as the meta processes of neoliberal globalisation and the revolution in information technologies that made it possible

Psychomania Stephen Jones, 2014-03-04 When journalist Robert Stanhope arrives at the Crowsmoor asylum for the criminally insane to interview the institute's enigmatic director Dr Lionel Parrish little does he realize that an apparently simple series of tests will lead him into a terrifying world of murder and insanity In this chilling new anthology compiled by multiple award winning editor Stephen Jones some of the biggest and brightest names in horror and crime fiction come together to bring you twisted tales of psychos schizoids and serial killers with occasional supernatural twists Reggie Oliver revives Edgar Allan Poe's wily French detective C Auguste Dupin and there is a new story from the popular British mystery series Bryant May by Christopher Fowler Internationally best selling author Michael Marshall also contributes to this collection with the return of *The Straw Men* conspiracy An original wraparound sequence in the style of John Llewellyn Probert sets the tone for this dark collection of stories as well as a hitherto unpublished introduction by Robert Bloch author of *Psycho* and the inspiration for Alfred Hitchcock's famous film *Skyhorse* Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and

medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Women's Fiction Deborah Philips,2014-06-19 Now in its second edition and with new chapters covering such texts as Elizabeth Gilbert's Eat Pray Love and yummy mummy novels such as Allison Pearson's I Don't Know How She Does It this is a wide ranging survey of popular women's fiction from 1945 to the present Examining key trends in popular writing for women in each decade Women's Fiction offers case study readings of major British and American writers Through these readings the book explores how popular texts often neglected by feminist literary criticism have charted the shifting demands aspirations and expectations of women in the 20th and 21st centuries

The Great Deception Christopher Booker,Richard North,2005-01-01 The Great Deception shows how the most ambitious political project of our time has for more than 50 years been based on a colossal confidence trick the systematic concealment from the people of Europe of what the aim of this project has always been since its inception in the late 1940s Updated to include the recent developments in Europe including the referendum and the upcoming votes in France and Holland As it reveals for the first time the true story behind the long term plan to build a politically united Europe the authors show how all previous attempts to reconstruct the history of this project whether written by Europhiles or Eurosceptics have got it wrong at almost every step along the way With all the suspense of a detective story drawing on thousands of books papers and official documents many of which have only become publicly available in the past few years the book traces how a handful of determined visionaries set out more than half a century ago to weld the countries of Europe into a single political state

Artemisia Gentileschi and the Business of Art Christopher R. Marshall,2024-06-11 A new account of the renowned Baroque painter revealing how her astute professional decisions shaped her career style and legacy Art has long been viewed as a calling a quasi religious vocation that drives artists to seek answers to humanity's deepest questions Yet the art world is a risky competitive business that requires artists to make strategic decisions especially if the artist is a woman In Artemisia Gentileschi and the Business of Art Christopher Marshall presents a new account of the life work and legacy of the Italian Baroque painter revealing how she built a successful four decade career in a male dominated field and how her business acumen has even influenced the resurrection of her reputation today when she has been transformed from a footnote of art history to a globally famous artist and feminist icon Combining the most recent research with detailed analyses of newly attributed paintings the book highlights the business considerations behind Gentileschi's development of a trademark style as she marketed herself to the public across a range of Italian artistic centers The disguised self portraits in her early Florentine paintings are reevaluated as an effort to make a celebrity brand of her own image And challenging the common perception that Gentileschi's only masterpieces are her early Caravaggesque paintings

the book emphasizes the importance of her neglected late Neapolitan works which are reinterpreted as innovative responses to the conventional practices of Baroque workshops Artemisia Gentileschi and the Business of Art shows that Gentileschi's remarkable success as a painter was due not only to her enormous talent but also to her ability to respond creatively to the continuously evolving trends and challenges of the Italian Baroque art world **If You Like the Beatles...** Bruce Pollock, 2011-10-01 Book The Beatles came up in the rock and roll era when Chuck Berry Little Richard and Elvis Presley defined cool Their early shows were big beat bacchanals the Brit interpretation of that crazy American sound But it wasn't long before they were absorbing and creating more and more music from folk to experimental to psychedelia and hard rock quite literally changing music forever and influencing hundreds of great bands in the process This is the first book for music lovers that begins with the simple premise If you like the Beatles and takes off from there digging into their influences and everything that came after them opening up new doors for listeners looking for no risk discs to expand their collection Beginning with the Beatles lesser known roots in rockabilly and Tin Pan Alley and working through American R B the British Invasion California folk and the Summer of Love and to the great pop and rock bands of the 80s 90s and the 21st century this is a must have for anyone who likes the Beatles which is everyone **The Oxford Handbook of Modern and Contemporary American Poetry** Cary Nelson, 2012-01-06 The Oxford Handbook of Modern and Contemporary American Poetry gives readers a cutting edge introduction to the kaleidoscopic world of American poetry over the last century Offering a comprehensive approach to the debates that have defined the study of American verse the twenty five original essays contained herein take up a wide array of topics the influence of jazz on the Beats and beyond European and surrealist influences on style poetics of the disenfranchised religion and the national epic antiwar and dissent poetry the AIDS epidemic digital innovations transnationalism hip hop and more Alongside these topics major interpretive perspectives such as Marxist psychoanalytic disability queer and ecocritical are incorporated Throughout the names that have shaped American poetry in the period Ezra Pound Wallace Stevens Marianne Moore Mina Loy Sterling Brown Hart Crane William Carlos Williams Posey Langston Hughes Allen Ginsberg John Ashbery Rae Armantrout Larry Eigner and others serve as touchstones along the tour of the poetic landscape **Music of the World War II Era** William H. Young, Nancy K. Young, 2007-12-30 In the World War II era big bands and swing music reached the heights of popularity with soldiers as well as friends and loved ones back home Many entertainers such as Glenn Miller also served in the military or supported the war effort with bond drives and entertaining the troops at home and abroad In addition to big band and swing music musicals jazz blues gospel and country music were also popular Chapters on each along with an analysis of the evolution of record companies records radios and television are included here for students historians and fans of the era Includes a timeline of the music of the era an appendix of the Broadway and Hollywood Musicals 1939 1945 and an appendix of Songs Composers and lyricists 1939 1945 An extensive discography and bibliography along with approximately 35 black and white photos complete the volume **Travel**

Writing and Ireland, 1760-1860 G. Hooper, 2005-09-27 Travel Writing and Ireland 1760 1860 examines a range of mainly British travel and travel writing material from the period 1760 to 1860 Beginning with an analysis of the Home Tour and Ireland's function within it the book then considers the role of the Post Union traveller followed by an analysis of the impressions formed by Famine writers the book then concludes with an assessment of those who journeyed to Ireland in the immediate aftermath of Famine Following a chronological structure Travel Writing and Ireland 1760 1860 offers readings of hitherto under researched material from a significant period in Irish history What Is Cultural Criticism? Francis Mulhern, Stefan Collini, 2024-06-04 In What Is Cultural Criticism two leading critics grapple with problems of literature politics and intellectual practice The debate opens with Francis Mulhern's account of what he terms metacultural discourse This embraces two opposing critical traditions the elite pessimism of Kulturkritik and the populist enthusiasms of Cultural Studies Each in its own way dissolves politics into culture Mulhern argues Collini on the other hand protests that cultural criticism provides resources for genuine critical engagement with contemporary society Tension between culture and politics there may be but it works productively in both directions This widely noticed encounter is that rare thing a sustained debate in which as Collini remarks the protagonists not only exchange shots but also ideas It concludes with Mulhern's engagement with Collini's writing on the subordination of universities to metrics and bureaucracy and a companion rejoinder from Collini on Mulhern's study of the condition of culture novel and his essays on questions of nationality and the politics of intellectuals

Ian Botham Simon Wilde, 2011-04-14 Ian Botham arrived on the international scene just in time to ride sport's first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for creating tales of heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn't necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come
