The extraordinary tale of a refugee youth soccer team and the transformation of a small American town. Clarkston, Georgia was a typical Southern town until it was designated a refugee settlement center in the 1990s becoming the first American home for scores of families in flight from the world's war zones from Liberia and Sudan to Iraq and Afghanistan. Suddenly Clarkston's streets were filled with women wearing the hijab, the smells of cumin and curry and kids of all colors playing soccer in any open space they could find. The town also became home to Luma Mufleh, an American educated Jordanian woman who founded a youth soccer team to unify Clarkston's refugee children and keep them off the streets. These kids named themselves the Fugees. Set against the backdrop of an American town that without its consent had become a vast social experiment, **Outcasts United** follows a pivotal season in the life of the Fugees and their charismatic coach Warren St John documents the lives of a diverse group of young people as they miraculously coalesce into a band of brothers while also drawing a fascinating portrait of a fading American town struggling to accommodate its new arrivals. At the center of the story is fiery Coach Luma who relentlessly drives her players to success on the soccer field while holding together their lives and the lives of their families in the face of a series of daunting challenges. This fast paced chronicle of a single season is a complex and inspiring tale of a small town becoming a global community and an account of the ingenious and complicated ways we create a home in a changing world.

Outcasts United Warren St. John, 2009 One Goal Amy Bass, 2018-02-27 In the tradition of *Friday Night Lights* and *Outcasts United*, *One Goal* tells the inspiring story of the soccer team in a town bristling with racial tension that united Somali refugees and multi-generation Mainers in their quest for state and ultimately national glory. When thousands of Somali refugees resettled in Lewiston, Maine, a struggling overwhelmingly white town, longtime residents grew uneasy. Then the mayor wrote a letter asking Somalis to stop coming, which became a national story. While scandal threatened to subsume the town, its high school's soccer coach integrated Somali kids onto his team and their passion began to heal old wounds. Taking readers behind the tumult of this controversial team and onto the pitch where the teammates vied to become state champions and achieved a vital sense of understanding, *One Goal* is a timely story about overcoming the prejudices that divide us. *The Price of Passion* Dr. Jerry Yonga, 2023-03-18 Every sport has its heroes and villains, moments of triumph and

heartbreak Soccer or football as it is known to much of the world is a sport that transcends borders languages and cultures It is a universal language that speaks to the hearts and minds of millions bringing people together in a shared love for the beautiful game However with such passion and dedication comes great responsibility and at times unimaginable consequences The Price of Passion The Andr s Escobar Story delves into the life and tragic death of one of Colombia s most beloved soccer players Andr s Escobar Born in Medell n Colombia Escobar was a talented and dedicated athlete who quickly rose through the professional soccer ranks to become a key defender for his club team Atl tico Nacional and the Colombian national team His skill and sportsmanship earned him the nickname The Gentleman of Soccer reflecting his commitment to fair play and humble nature In this book we will follow Escobar s journey from his humble beginnings to the pinnacle of his soccer career as he prepared to represent his country on the world stage at the 1994 FIFA World Cup Through personal anecdotes interviews with those who knew him best and a deep exploration of Colombia s cultural and political landscape during that time we will gain a deeper understanding of the pressures and expectations placed upon Escobar and his teammates But this is not just a story of soccer It is a tale of love loyalty and the harsh realities that sometimes accompany the pursuit of one s dreams The events that unfolded during and after the 1994 World Cup would ultimately lead to Escobar s untimely death sending shockwaves through the soccer community and beyond His murder at the hands of a gunman allegedly in retaliation for an own goal he had scored during the tournament serves as a stark reminder of the darker side of passion and the high price that can be paid for success and failure As we turn the pages of this book we will witness the rise and fall of a true soccer icon whose life was cut tragically short by the sport he loved In doing so we will also explore the complex intersection of sport culture and politics that shaped the life and legacy of Andr s Escobar We will come to understand that his story is not just one of individual tragedy but a reflection of the power beauty and sometimes devastating consequences of the world s most popular sport Welcome to The Price of Passion The Andr s Escobar Story

The Global Refugee Crisis Stephanie Sammartino McPherson,2019-01-01 According to a UN tally more than 1 million people fled violence and persecution in 2015 Of these more than half were children Thousands died along the way The Syrian civil war as well as armed conflicts in Nigeria Afghanistan Yemen Somalia and the Central African Republic contributed to the continuing exodus of people into Europe and North America Learn more about these modern mass exoduses what is fueling them in the 21st century how nations are addressing the crises how refugees contribute to and strain communities and what kinds of solutions could help Along the way you ll meet actual refugees and the people who are trying to help *Learning America* Luma Mufleh,2022-04-05 A visionary leader s powerful personal story and a blueprint for change that will inspire schools and communities across America Luma Mufleh a Muslim woman a gay refugee from hyper conservative Jordan joins a pick up game of soccer in Clarkston Georgia The players 11 and 12 year olds from Liberia and Afghanistan and Sudan have attended local schools for years Drawn in as coach of a ragtag but fiercely competitive team Mufleh discovers that few of her players

can read a word She asks Where was the America that took me in That protected me How can I get these kids to that America For readers of Malala Paul Tough and Bryan Stevenson Learning America is the moving and insight packed story of how Luma Mufleh grew a soccer team into a nationally acclaimed network of schools by homing in laserlike on what traumatized students need in order to learn Fugees accepts only those most in need students recruit other students and all share a background of war poverty and trauma No student passes a grade without earning it the failure of any student is the responsibility of all Most foundational everyone takes art and music and everyone plays soccer areas where students make the leaps that can and must happen as this gifted refugee activist convinces even for America s most left behind **The Making of a Refugee** Tasoulla Hadjiyanni,2002-03-30 Through an examination of interviews provided by 100 children of refugees in Cyprus born after their family s displacement Hadjiyanni illustrates the formation of a refugee consciousness an identity adopted by many children who never experienced the actual displacement of their family Focusing on the process by which a child born into a refugee family develops a refugee identity the book identifies nine dimensions that inform this consciousness Establishing the family as the primary transmitter of the refugee identity and the child as its constructor the author points to the power of homeplace in forming and supporting such an identity The book challenges the notion that refugee consciousness is a separate identity and a crisis by reinterpreting it as a resistance to adversity Shedding new light on what it means to be a refugee this work is a welcome addition to the field Beginning with a discussion of the meaning of the term refugee and how it has been adopted by the children of some refugees in Cyprus the author moves to an examination of the meaning of past and present to the formation of a refugee consciousness She then looks to the causes of such identity formation focusing on the transference of identity from parent to child and the effects of past loss on children who have not actually experienced displacement Housing issues are also examined as a contributing factor as refugee housing is typically distinct and constrained compared to housing for native citizens of a community The author concludes her work with a discussion of the implications of the Cyprus example for both the future and for general refugee studies
