The first year after I decided to become a Christian was difficult, confusing, and lonely. I steered away from my fake friends, went to church alone, and started my search for the truth by studying all religions. Empty, empty was a regular feeling I had felt haunted by since I was a young child, feeling like I had no purpose in life. My journey began figuring out what religion is right and what exactly is in the Bible. Who is God? What is he all about? What am I going to have to do in order to go to Heaven and please God? The experience began as I discovered what the Bible said and what people who claimed to be Christians said were usually two different things. You are just going to have to do something, Matt. You're not going to get a good job and you just need to take something for even minimum wage to have something. They also said statements of defeat where I wondered if I had the same Bible they read at all. I didn't believe the contradictions I found in ministries that took the Bible for what it said as they believed for better, lived better, and they talked with confidence. They took seriously the task of gaining wisdom to eat right, talk right, study, and to expect the promises of God to his followers. Released is for the unbelieving and those experiencing Christian confusion. Take my experiences and the setbacks I had to overcome to motivate your own life. God can forgive anything and he is the only thing in this world that will never let you down because they will. The acceptance of Jesus is the best decision we can ever make. I am living proof. Publication Carnegie Endowment for International Peace, Division of Intercourse and Education, 1918 **Introduction to You (TV series)** Gilad James, PhD, You is a psychological thriller television series that premiered on Lifetime in 2018 and was later picked up by Netflix for its second season. The show centers around a charming and intelligent bookstore manager named Joe Goldberg who becomes obsessed with a customer named Guinevere Beck after a chance encounter in his store. As he begins to stalk her through social media and manipulate his way into her life, Joe's dark and dangerous personality is revealed, and his actions escalate to murder in order to eliminate anyone who threatens his relationship with Beck. The show has gained a cult following for its captivating storyline and superb acting from both Penn Badgley who portrays Joe and Victoria Pedretti who plays Love Quinn, Joe's love interest in season two. Additionally, the show explores themes such as toxic masculinity, mental illness, social media obsession, and the blurred lines of morality. Viewers are left questioning their own perceptions of love and the lengths one will go to protect it. Overall, You is a gripping and thought-provoking show that keeps viewers on the edge of their seats.
