Almost overnight America's public schools have become morally toxic. And they are especially poisonous for the hearts and minds of children from religious families of every faith: ordinary families who value traditional morality and plain old common sense. Parents' first duty is to their children: to their intellect, their character, their souls. The facts on the ground point to one conclusion: get out now. **SWYK on the Common Core Reading Gr. 3, Flash Cards** Show What You Know Publishing, 2013-09-01 Each deck of Show What You Know on the Common Core Reading Flash Cards includes 90 cards.
