Rediscovering the Holy Spirit Michael Horton,2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man s own body we too easily begin to think of the Holy Spirit as an

extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In *Rediscovering the Holy Spirit* author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives

The Holy Spirit and Christian Service John Dundas Robertson, 1901 *The Three-fold Secret of the Holy Spirit* James Henry McConkey, 1897

TRAILING THE BLOODY FOOTPRINTS Donald Craig Miller, 2019-03-01 *Trailing the Bloody Footprints* Danger is Detective Jake Jezreel's business In the first century AD Jake's profession as a private detective makes him a rare breed Jake lives in the very large shadow of his famous detective father who has provided investigative services for King Herod and more recently for the Romans Making a name for himself as a detective is all important to Jake to live up to his renowned father's reputation As Jake sits at his desk one fateful day a very politically powerful client comes to hire him From that moment on Jake is plunged into the supreme case of his life when he is hired by the pompous self-righteous Jerusalem Pharisee named Obadiah The Pharisee wants Jake to dig up as much dirt as possible about a dangerous and mysterious troublemaker named Jesus of Nazareth After listening to the charges leveled at Jesus by Obadiah Jake accepts the case The next day the adventure of his life begins as Jake accompanies a group of Pharisees who are traveling to Galilee to investigate firsthand the disturbing rumors about the mysterious Jesus From this point on Jake is swept up into the swirling onslaught by the religious leaders to crush Jesus The investigation comes to an explosive apex when a major conflict detonates between Jesus and the Pharisees when the Nazarene heals a man on the Sabbath The enraged Pharisees immediately begin plotting how they can murder Jesus Jake realizes he has been dragged into this vicious vendetta against Jesus by the powerful religious leaders And he can feel their icy fingers clutching at him like a pawn of their malicious political machine How will Jake proceed in his investigation knowing that Jesus is innocent of any crimes and is the target of the deadly religious political machine What can he do to protect this good and godly man he has been hired to destroy The religious leaders want results from their detective They are squeezing him hard to deliver the incriminating clues they salivate for Only a final unimagined finish can answer these frightful questions
