But when he offers Evie a shot at training with him for six months, she goes against the gossip and gives him a chance. Is Malcolm going to grind his new working student into the ground? Or will Evie take every chance he gives her to pull aside his tough armor and find the nice guy within? Join Evie's trip to find love and her equestrian happy ever after with the third installment in the popular *Ocala Horse Girls* series. [Socrates and Self-Knowledge](#) Christopher Moore, 2015-10-09

In this book, the first systematic study of Socrates' reflections on self-knowledge, Christopher Moore examines the ancient precept "Know yourself" and drawing on Plato, Aristophanes, Xenophon, and others, reconstructs and reassesses the arguments about self-examination, personal ideals, and moral maturity at the heart of the Socratic project. What has been thought to be a purely epistemological or metaphysical inquiry turns out to be deeply ethical, intellectual, and social. Knowing yourself is more than attending to your beliefs, discerning the structure of your soul, or recognizing your ignorance; it is constituting yourself as a self who can be guided by knowledge toward the good life. This is neither a wholly introspective nor a completely isolated pursuit; we know and constitute ourselves best through dialogue with friends and critics. This rich and original study will be of interest to researchers in the philosophy of Socrates, selfhood, and ancient thought.
