*Pilgrim Theology* Michael Horton, 2013-02-05

Pilgrim Theology is a map for Christians seeking to better understand the core beliefs of their faith. Even though it's the study of God, theology has a reputation for being dry, abstract, and irrelevant for daily living. But theology is a matter of life and death. It affects the way you think, the decisions you make, the way you relate to God and the world. Reformed theologian and professor Michael Horton wrote Pilgrim Theology as a more accessible companion to his award-winning systematic theology, The Christian Faith, widely praised for its thorough treatment of the biblical and historical foundations of Christian doctrine. In Pilgrim Theology, his focus is in putting the study of theology into the daily drama of discipleship. Each chapter will orient you toward a clear understanding about Who God is, What our relationship is to him, and what our faith in Jesus Christ means in our daily walk as well as in the context of the narrative of Scripture and the community of the church. Through accessible chapters on individual doctrines as well as frequent Key Distinction boxes that succinctly explain the differences between important themes, you'll gain an understanding of doctrines that may have sounded like technical seminary terms to you before. Justification, sanctification, glorification, union with Christ, and others. You have a working theology already, an existing understanding of God. It's the goal of Pilgrim Theology to help you examine that understanding more closely and have it challenged and strengthened.

**Supernatural** Heiser, Michael S., 2015-11-10. Dr. Michael S. Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural, unfiltered by tradition or by theological presuppositions. Who were the sons of God? Who were the Nephilim? Where do angels fit into the supernatural hierarchy? What relation does Jesus bear to the rest of the supernatural world? Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture. After reading this book, you may never read your Bible the same way again. In *Supernatural*, Heiser takes the core message from his recent best seller, *The Unseen Realm*, and presents it for the person in the pew. He offers the same approach to reading and understanding Scripture but without all the extra footnotes and supporting information needed for the scholarly treatment. We can't believe what we don't understand. In *Supernatural*, Michael Heiser helps us to do both. It may open your eyes to the Scripture in a new way. John Ortberg, author of *If You Want to Walk on Water, You've Got to Get Out of the Boat*. [The Christian Traveler's Guide to the Holy Land](#) Charles H.
