

Why Do I Need To Prep for the Regents?

The NYS Scholarship for academic excellence awards 8,000 students who graduate from a NYS High School "with honors" (90+) on the Regents Exams \$2,000- \$6,000 in scholarship money. See www.hesc.ny.gov for more information.

An Advanced Regents Diploma is an honor and added credential. Many colleges and universities, especially in New York, give admissions preferences to students with an Advanced Regents Diploma.

Also, for students to avoid taking remediation or prerequisite (aka: useless) courses in most New York City CUNY colleges, they need to get a 75 or higher on the all of the math regents. Taking high school math while in college is a tremendous waste of time and money.

Furthermore, most College Now programs require at least an 80 on each of the math regents. See www.CollegeNow.cuny.edu for more information. You can take College Now courses starting 10th grade and they are free for any NYC public school students and award transferable college credit.

A student who earns an average score of 90 or higher (without rounding) on required exams is eligible for a Regents Diploma with Honors or a Regents Diploma with Advanced Designation with Honors.

A student who earns scores of 85 or higher on all the required mathematics Regents Examinations is eligible for an annotation on their diploma that states that the student has mastery in mathematics.

A student who earns scores of 85 or higher on at least three science Regents Examinations is eligible for an annotation on their diploma that states that the student has mastery in science.

Sure, you can try to self-study at home, but you are taking a risk, and it is much more likely you will study at Kweiller Prep, a structured learning environment with outstanding instructors, loads of practice material, snacks, and refreshments.
