Reconstructing the Civic Amal Jamal, 2020-08-01 *Reconstructing the Civic* examines the civic activism of the homeland Palestinian minority in Israel Employing a multi methodological and empirically rich approach Amal Jamal blends historical description with interviews of Palestinian elites drawn from a diverse range of civil society groups such as NGOs youth movements and religious organizations He also critiques the failure of Western liberal scholarship to account for the experience of minority civil society organizations in illiberal social and political contexts largely because this literature assumes there is an inherent relationship between civil society and democracy Jamal places an important spotlight on the complex interplay between liberal and illiberal trends in the emergence organization and transformation of Palestinian civil society in Israel as well as the need to introduce an alternative ethical model that aims to reconstruct ethnic states in universal civic terms

Rules for Rebels Max Abrahms, 2018-09-04 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there s a science to victory in militant history But even rebels must follow rules
