This little escapade becomes more complicated and results in solidifying a case against the old man His lawyer has other plans however Her client tells her about his old friend with the justice department whose 5 year old daughter was abducted and murdered in 1998 The friend s wife was now in a mental hospital and the friend s health was slowly ebbing away since there had never been any arrest or any kind of closure The friend volunteered to work with the old man s lawyer and make a proposal to his life long friend a judge in the Court of Queen s Bench The proposal suggests that if this matter were to get into court the young lawyer would call every police officer jail guard prison psychiatrist victim and the families of every victim of all six pedophiles These witnesses would describe the impact of the intrusion of each pedophile since and including his first conviction A hearing is arranged in front of the judge much to the chagrin of a Member of Parliament and an associate of the legislature This is because they haven t yet figured it out A seventh murder is discovered early in the morning on the day of the hearing As if things were
