Pope Francis Why He Leads The Way He Leads:

Pope Francis Chris Lowney, 2013-09-04 TIME Magazine s Person of the Year Pope Francis Learn about the First Jesuit Pope from America s Leading Jesuit Publisher Pope Francis by Chris Lowney is that rare and splendid work that leaves you keenly excited and spiritually moved The writing is lucid vivid inviting and rich It s a major achievement I strongly recommend it to any Christian in a leadership role Joseph Tetlow SJ From choosing to live in a simple apartment instead of the papal palace to washing the feet of men and women in a youth detention center Pope Francis s actions contradict behaviors expected of a modern leader Chris Lowney a former Jesuit seminarian turned Managing Director for JP Morgan Co shows how the pope s words and deeds reveal spiritual principles that have prepared him to lead the Church and influence our world a rapidly changing world that requires leaders who value the human need for love inspiration and meaning Drawing on interviews with people who knew him as Father Jorge Bergoglio SJ Lowney challenges assumptions about what it takes to be a great leader In so doing he reveals the other centered leadership style of a man whose passion is to be with people rather than set apart Lowney offers a stirring vision of leadership to which we can all aspire in our communities churches companies and families Pope Francis ,2014 *Understanding Pope Francis* Joseph R. Blaney, 2021-07-13 Understanding Pope Francis Message Media and Audience offers several chapters which illuminate the often misunderstood but widely discussed leader of the Roman Catholic Church Pope Francis With 1.3 billion baptized members living throughout every continent communication by and about him is a subject deserving to be understood As technology makes the global village predicted by Marshall McLuhan more apparent the complexities of leading an organization across geographic boundaries with differing ideas about culture and governance present great need to be nuanced indeed cautious about messages communicated across diverse media platforms and consumed by divergent audiences This book lays bare the messages Pope Francis produces the way that varying platforms media present those messages and the complex ways in which audiences formulate their interpretations Pope Francis Paul Vallely, 2015-08-18 For the past two years Pope Francis has enchanted and bewildered the world in equal measure with his compassion and his contradictions Expanding greatly on his acclaimed earlier book *Pope Francis Untying the Knots* Paul Vallely reexamines the complex past of Jorge Mario Bergoglio and adds nine new chapters revealing many untold behind the scenes stories from his first years in office that explain this Pope of paradoxes Vallely lays bare the intrigue and in fighting surrounding Francis s attempt to cleanse the scandal ridden Vatican Bank He unveils the ambition and arrogance of top bureaucrats resisting the Pope s reform of the Roman Curia as well as the hidden opposition at the highest levels that is preventing the Church from tackling the sex abuse crisis He explains the ambivalence of Pope Francis towards the role of women in the Church which has frustrated American Catholic women in particular And Vallely charts the battle lines that are being drawn between Francis and conservatives and traditionalists talking of schism in this struggle for the soul of the Catholic Church Consistently Francis has show a

willingness to discuss issues previously considered taboo such as the ban on those who divorce and remarry receiving Communion his liberal instincts outraging traditionalists in the Vatican and especially in the Church hierarchy in the United States At the same time many of his statements have reassured conservative elements that he is not in fact as radical as he might appear Behind the icon of simplicity that Pope Francis projects is a steely and sophisticated politician who has learned from the many mistakes of his past The Pope with the winning smile was previously a bitterly divisive figure In his decade as leader of Argentina's Jesuits left that religious order deeply split His behavior during Argentina's Dirty War when military death squads snatched innocent people from the streets raised serious questions Yet after a period of exile and what he has revealed as a time of great interior crisis he underwent an extraordinary transformation on which Vallely sheds new and fascinating light The man who had been a strict conservative authoritarian was radically converted into a listening participative leader who became Bishop of the Slums making enemies among Argentina's political classes in the process Charting Francis's remarkable journey to the Vatican and his first years at work there Paul Vallely has produced a deeply nuanced and insightful portrait of perhaps the most influential person in the world today Pope Francis he writes has not just demonstrated a different way of being a pope He has shown the world a different way of being a Catholic
