Thompson and other rental property owners Follow along through Diane's perspective as she and her husband shed their corporate kneepads and seize the opportunity to take their lives in a new direction Tenants whom they give secret nicknames like Meth Mouth Poopie and Lolita give them a lesson in the human condition a lesson more epic than they ever imagined The renters provide their share of humor and compassion but launch Jack and Diane into a social experiment gone awry Can they navigate through the hell of being landlords Or will it leave them as crazy as the tenants who live behind their walls **An**
