A. Carlson, Leland C. Bement, 2018-05-30 *The Archaeology of Large Scale Manipulation of Prey* explores the social and functional aspects of large scale hunting adaptations in the archaeological record. Mass kill hunting strategies are ubiquitous in human prehistory and exhibit culturally specific economic, social, environmental, and demographic markers. Here seven case studies, primarily from the Americas and spanning from the Folsom period on the Great Plains to the ethnographic present in Australia, expand the understanding of large scale hunting methods beyond the customary role of subsistence and survival to include the social and political realms within which large scale hunting adaptations evolved. Addressing a diverse assortment of archaeological issues relating to the archaeological signatures and interpretation of mass kill sites, *The Archaeology of Large Scale Manipulation of Prey* reevaluates and rephrases the deep time development of hunting and the themes of subsistence to provide a foundation for the future study of hunting adaptations around the globe. Authors illustrate various perspectives and avenues of investigation, making this an important contribution to the field of zooarchaeology and the study of hunter-gatherer societies throughout history. The book will appeal to archaeologists, ethnologists, and ecologists alike.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
