No Quest For The Wicked Enchanted Inc Book 6:

Recovering Consolation Greg Maillet, 2024-09-19 Although Tolkien's letters call Samwise Gamgee the chief hero of The Lord of the Rings Sam is easily underestimated by both readers and critics Recovering Consolation focuses attention on Sam's point of view throughout the long journey that is the novel This book responds to Frodo's famous words at the Stairs of Cirith Ungol imagining a child speaking to a parent I want to hear more about Sam dad why didn't they put in more of his talk dad That's what I like it makes me laugh And Frodo wouldn't have got far without Sam would he dad Listening to Sam not only makes us laugh but also shows him to be like Tolkien himself a master of mythopoesis as the novel's narrator puts it Sam had more on his mind than gardening Yet the concrete act of gardening another passion that Sam shares with Tolkien should help us to understand how consolation is recovered as is well explained in Tolkien's great essay On Fairy Stories Both there and in The Lord of the Rings Tolkien offers a theological aesthetic that has much to teach us Although we may not realize it while laughing along with Sam this humble servant hobbit is key to this aesthetic
