Глубинная дневная практика осознанных сновидений** Эндрю Холчек, 2022-07-06 PDF A4 Quest for Spiritual Self-Reliance Digital Edition, 2015-04-27 Martin Esten's Quest for Spiritual Self-Reliance focuses on what the author calls the ongoing movement of meditation Martin presents probing insights into issues such as meditation love relationships spirituality and the nature of thought He shows that paradoxically all of our problems in life are created by thinking and identification with what he has termed the little me The path to true and enduring freedom is shown to be a counter intuitive process that can only be understood by setting aside one's analytical mind and ego and by simply being aware of one's self you start to see the mechanics of things and by seeing the mechanics of things you will become non mechanical and to be non mechanical is to be finally free This book is meant to be a journey that the reader can take with the writer and perhaps along the way the reader will find out who he or she really is beyond all

mechanics of the conditioned mind Although the journey is not easy Martin shows us again and again that is in our nature to undertake it     *Awakening to Wholeness* Lee Bladon,2012-08-01 Awakening to Wholeness describes a two fold path of awakening that combines psychological and spiritual development Psychology is concerned with the personal aspects of our being i e body emotions mind and ego self and spirituality is concerned with the transpersonal aspects of our being i e soul and true Self Awakening to Wholeness clearly and comprehensively describes the dynamics of human consciousness ego formation psychological healing personal development and spiritual growth It also includes a range of powerful transformational tools techniques and practices that can help us to Understand why we think and behave the way we do Heal and re integrate the wounded parts of our psyche Manifest our full potential Let go of the things that are holding us back Lead a happier richer and more fulfilling life Know and express our true Self Realise that what we have been searching for has always been here inside of us Recognise that the opportunity to awaken is always right here and now     Stepping Out of Self-Deception Rodney Smith,2010-07-13 A prominent Insight Meditation teacher presents the Buddhist concept of no self in an easy to understand way that will radically change your perspective on life Anatta is the Buddhist teaching on the nonexistence of a permanent independent self It s a notoriously puzzling and elusive concept usually leading to such questions as If I don t have a self who s reading this sentence It s not that there s no self there says Rodney Smith It s just that the self that is reading this sentence is a configuration of elements that at one time did not exist and which at some point in the future will disperse Even in its present existence it s more a temporary arrangement of components rather than something solid Anatta is a truth the Buddha considered to be absolutely essential to his teaching Smith shows that understanding this truth can change the way you relate to the world and that the perspective of selflessness is critically important for anyone involved in spiritual practice Seeing it can be the key to getting past the idea that spirituality has something to do with self improvement and to accessing the joy of deep insight into reality     **The Path** Desislava Simeonova,2019-06-24 The Path describes the journey that starts the moment a person is born In this book Desislava shares personal stories that helped her evolve as a person She discusses in depth universal and natural laws that she discovered through personal experiences in her life In order to find true happiness and inner peace and joy one needs to bring awareness and attention to the internal world Desislava shares different mindfulness techniques that helped her and her students find balance and release stress This book also describes in depth life lessons learned by a teacher who followed her passion to inspire more people to live their life with purpose and to connect with their divine nature She explains how one can unleash his or her potential and discover who one truly is by accepting challenges and by being persistent determined and open for change This book will guide you through the various stages of life that will help you answer the question Who am I The moment Desislava discovered her true nature she realized it was time to share with everyone the wisdom hidden deep inside each one of us so that there is peace true happiness and joy on this magnificent planet
