Intelligence Practices in High-Trust Societies Kira Vrist Rønn, Adam Diderichsen, Mia Hartmann, Melanie Hartvigsen, 2024-09-13 This book examines the dynamics of intelligence practices in the Scandinavian culture of high social cohesion and high trust Situated within the new body of scholarly literature the book emphasizes critical empirical investigations of intelligence practices highlighting the specific cultural settings of such practices By providing Scandinavian perspectives on intelligence studies the work distinguishes Scandinavian intelligence studies from the predominant Anglo American perspectives Throughout the Western world the past two decades have generated a rapid expansion of the legal mandate funding and capabilities of intelligence agencies which simultaneously have been pushed to renegotiate and renew their legitimacy and democratic mandate in response to a recurrent pattern of scandals leaks and failures While these tendencies are also evident in Scandinavia the book argues that it is important to emphasize the unique context of cohesion and trust in state agencies that differentiates Scandinavian welfare states from the American and to a lesser extent British contexts This book brings together scholars from Norway Sweden and Denmark to address the continuous renegotiation of the legitimacy of state intelligence as it plays out in a Scandinavian setting This book will be of interest to students of intelligence studies Nordic politics security studies and International Relations

Managing Criminal Investigations Peter B. Bloch, Donald R. Weidman, 1975 **Integrated Offender Management and the Policing of Prolific Offenders** Frederick Cram, 2023-05-30 This book analyses the impact of Integrated Offender Management IOM on contemporary policing and separates the rhetoric from the reality Drawing on a qualitative study within an English police force over two years this book examines the experiences of prolific offenders subject to IOM and sheds light

on the culture and practice of the police and staff from other criminal justice agencies working within the scheme While IOM has been judged to have had initial successes in reducing the criminal activities of prolific offenders this book tests the validity of such claims and considers the apparent disjuncture between policy statements made about the workings of IOM and how IOM policing operations are realized on the ground It makes a unique contribution to research on police culture and practice and multi agency working in the criminal justice system An accessible and compelling read this book will appeal to policymakers as well as students and scholars of criminology sociology policing and politics

Police-community Relations in San Jose Thomas V. Pilla, United States Commission on Civil Rights. Western Regional Office, 1980 This report summarizes a 3 year monitoring effort by the staff of the Western Regional Office of the United States Commission on Civil Rights concerning police community relations in San Jose Calif In 1976 San Jose minority community representatives alleged that law officers used abusive and threatening language threats of arrest in individuals complained and deadly force All too often they alleged the victims were the city's minorities The report describes the background of the problem and community perceptions and the police department response during the period of change between 1976 and 1979 The civil rights staff which interviewed over 120 persons including city and law enforcement officials clergy public and private agency representatives and minority community representatives found that the level of fear mistrust and hostility toward the police in San Jose in 1979 did not seem to approximate that of 1976 The staff also found that there was a police department administrative emphasis on courtesy and professional service a recognizable and definable police community relations program and a decrease in the number of officer involved shootings Although minority community relations with police improved incidents of abuse were still reported In addition interviews revealed an unresolved conflict within the police department over whether the department should emphasize law enforcement or service Footnotes and tabular data are included Appendixes contain letters from the president and vice president of the San Jose Peace Officers Association
