Early Foreign Language Learning and Teaching Marianne Nikolov,Stela Letica Krevelj,2024-10-15 Over the past six

decades the field of teaching modern foreign languages to young learners has come a long way from the early surmises about the advantages of a young start to today's widespread integration of foreign languages into curricula in public and private schools. The chapters in this book bring together internationally renowned researchers who have been vocal in establishing early language teaching and learning as an independent area of research and novice voices who represent a new generation of devoted researchers to present a state of the art volume on the topic. The authors address key questions about young learner second foreign language L2 FL development methodological issues when conducting research with young learners L2 FL teaching pedagogy language education policy technology enhanced learning and assessment. Together the chapters capture the reality of early FL development in the context of a globalized world and will be of great interest to researchers and postgraduate students of SLA and Applied Linguistics specifically in the field of early language development and teaching languages to young learners.

Virtual Worlds Judy O'Connell, Dean Groom, 2010-10-01 Each year there are more and more avatars in rich virtual environments. Educators keen to incorporate the evolving literacy and information needs of 21st century learners will want to understand the opportunities provided by MUVES, MMORPGs and 3D immersive worlds so as to be able to create more interactive library educational and cultural projects. The challenge is to accept that these interactive environments are here to stay and that schools can and should embrace learning in virtual worlds. Virtual Worlds will provide the knowledge, inspiration and motivation to get you started.

Engage Brian Solis, 2010-02-18 The ultimate guide to branding and building your business in the era of the Social Web, revised and updated with a Foreword by Ashton Kutcher. Engage thoroughly examines the social media landscape and how to effectively use social media to succeed in business, one network and one tool at a time. It leads you through the detailed and specific steps required for conceptualizing, implementing, managing and measuring a social media program. The result is the ability to increase visibility, build communities of loyal brand enthusiasts and increase profits. Covering everything you need to know about social media marketing and the rise of the new social consumer, Engage shows you how to create effective strategies based on proven examples and earn buy-in from your marketing teams. Even better, you'll learn how to measure success and ROI. Introduces you to the psychology, behavior and influence of the new social consumer. Shows how to define and measure the success of your social media campaigns for the short and long term. Features an inspiring Foreword by actor Ashton Kutcher who has more than 5 million followers on Twitter. Revised paperback edition brings the book completely up to date to stay ahead of the lightning fast world of social media. Today no business can afford to ignore the social media revolution. If you're not using social media to reach out to your customers and the people who influence them, who is?

How to Begin When Your World Is Ending Molly Phinney Baskette, 2022-11-15 Moving, witty and probing, Molly Baskette's practical and spiritual perspective will appeal to readers of Lori Gottlieb's *Maybe You Should Talk to Someone* and Kate Bowler's *Everything Happens for a Reason*. As a progressive parish minister, Molly Baskette has been a companion during the most vulnerable, traumatized and unsettled

periods of many people's lives She has also had a front row seat to remarkable human transformation as many of the ruptures her people lived through turned out to be the way that God got in But when she was diagnosed with an aggressive cancer at age thirty nine with two small children her theology of and relationship to God was tested more profoundly than ever Instead of becoming despondent though she engaged with her faith more deeply seizing the opportunity to test the seaworthiness of the faith she had been practicing and preaching In *How to Begin When Your World is Ending* Baskette shares the questions that confronted her along the way like Is it true that prayer changes things Does God care whether we live or die and is there a damn thing God can do about it anyway How can vulnerability counterintuitively be a strength And the million dollar question is there life after death and just what might it be like Weaving together her own story and the stories of those she encountered in her life of faith Baskette mines joy from all the hardest parts of being human In doing so she reminds us that whatever you are going through someone has been there before you and found meaning in the madness
