

nmra BULLETIN

December, 1954

(U. S. Registered)

21st Year — No. 4

New Editor Takes Up Duties

JANUARY ISSUE TO MARK KIN SALMON'S DEBUT

An NMRA member with a solid background as both a model railroader and a newspaperman will take over the editorship of *THE BULLETIN*, effective with the January issue.

He signs his checks Thomas K. Salmon, but answers to the less formal tag of "Kin."

He was born a New Yorker — in Bayside — and is still, by choice, a New Yorker; he now lives in Yonkers.

Nylon Version Of HO Coupler In Production

Still another manufacturer has swung over to production of the NMRA-developed HO gauge automatic coupler.

The Rail Line Company, Box 126, Independence, Mo., announces that by Jan. 15 it expects to have the coupler available in stock. The price will be 15 cents a pair, or 50 cents with draft gear.

The couplers will be sold through hobby shops and/or the convenience of those who aren't near hobby shops that stock the new coupler—by direct mail.

With Keaton and Model Die Casting already in the field, there is now a choice of three different materials for the same coupler, says Paul Mallory, former secretary of the coupler committee, who sent the information along to *THE BULLETIN*.

This marks the first time in HO that interchangeable automatic couplers have been available from three manufacturers.

Final call is "a good start toward ending the culture of confusion in HO couplers."

But in the intervening 54 years he's managed to cover a lot of territory.

After graduation from the Loomis School at Windsor, Conn., and Cornell University at Ithaca, N. Y., Kin served in 1924 and 1925 as vice-consul at Cologne, Germany.

It wasn't long after that that Kin set-
tled down—at that's the word—to newspaper work. He's been a reporter in New York City and a foreign correspondent in Rome, Italy. He's been a political columnist and special writer for the *Harvard* (Vt.) *Alfred* and he was editor and founder of the *Brookville* (N. Y.) *Express*. And since 1942 he's been news editor of the *Yonkers Alfred-Sunbeam*.

Kin's first contact with railroading came close to being his last. It happened in 1905 at Willard, N. Y., when he strayed into the path of an Erie Atlantic and was rescued in the nick of time by the family St. Bernard. (Kin neglects to say whether the faithful dog was wearing the standard collar ornament that's associated with St. Bernards.)

During his school years at Loomis, he managed to get in some prototype experience by shoveling coal in the fire box of a New Haven 10-wheelers, a puffler freight that spent a couple of hours switching at Windsor three times a week.

Kin is a charter member of the Yonkers Model Railroad Club and has served as its president for the last four years. He joined NMRA and the Northeastern Region in 1948. At present he's director and secretary of the Metropolitan Division (New York) of the NER, and is also a director of NER.

Kin and his wife, Elizabeth, who were married in 1916, have two children—Ann, who is married, and Peter, who's attending Middlebury College. Both of them like model railroading, says Kin.

—T. H.

Data Sheets Due On Earth, Rocks

Now in preparation is a new series of Data Sheets covering the subject of "Earth and Rocks," reports Ed Barrows, chairman of the Data Sheets Committee.

The series is being compiled by a special committee headed by James Seftis of Berwyn, Ill.

"The first in this series of sheets will discuss in general the type of terrain through which railroads are built and should prove quite helpful to the model builder in the overall planning of his scenery," says Ed.

Later sheets in the series will be devoted to methods of modeling such terrain. Sheets will cover such subjects as the framework, covering material, and final finishing. It is planned to describe as many different ways of doing this job as possible, with careful evaluation being given to the final appearance, difficulty, cost, and flexibility of construction, as well as permanence of results.

Jim Seftis would like volunteers to help him do the job. Persons who have done or are experimenting with various types of terrain construction are invited to share their know-how with other members.

"There are a lot of us who have ideas on this basic part of scenery construction," says Ed.

Jim's address, by the way, is 6638 W. 25th St., Berwyn, Ill.

Four MWR Directors, New Officers Chosen

Directors for the Midwest Region's 1954-55 year were announced at the region's fall convention, held at Geneva, Ill.

There were four openings on the seven-man board, with a slate of eight nominees offered the membership. A. B. Bradley of Glenview, Ill., and Lloyd Nelson of Rockford, Ill., were re-elected to the board, while Herbert Kriss of Chicago and Robert Brown of Hinsdale, Ill., became new directors.

Carried over as directors were Marvin Dunning of Elgin, Ill., Roger Deuchering of Highland Park, Ill., and Robert Johnson of Chicago.

The new board, itself chosen by mail vote, elected Bradley president, Dunning vice-president and Kriss treasurer. Under a provision of the MWR constitution, the board chose as outsiders, Frank Saville of Park Ridge, Ill., as secretary.

The meeting at Geneva, home of Elmer Tolsted and his famous O page layout, drew 190 members.

Nmra Bulletin December Official Publication National Model Railroad Association Introduction

In today's digital age, the availability of Nmra Bulletin December Official Publication National Model Railroad Association books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nmra Bulletin December Official Publication National Model Railroad Association books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nmra Bulletin December Official Publication National Model Railroad Association books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nmra Bulletin December Official Publication National Model Railroad Association versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nmra Bulletin December Official Publication National Model Railroad Association books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nmra Bulletin December Official Publication National Model Railroad Association books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Nmra Bulletin December Official Publication National Model Railroad Association books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nmra Bulletin December Official Publication National Model Railroad Association books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nmra Bulletin December Official Publication National Model Railroad Association books and manuals for download and embark on your journey of knowledge?

FAQs About Nmra Bulletin December Official Publication National Model Railroad Association Books

What is a Nmra Bulletin December Official Publication National Model Railroad Association PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nmra Bulletin December Official Publication National Model Railroad Association PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nmra Bulletin December Official Publication National Model Railroad Association PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nmra Bulletin December Official**

Publication National Model Railroad Association PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nmra Bulletin December Official Publication National Model Railroad Association PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
