*Yes, Mistress* Alicia Zadig, 2021-10-26 Leading Dominatrix and BDSM expert Alicia Zadig takes you on a provocative eye opening journey into the erotic world of Female Domination and male submission Zadig explains the psychology behind male submission and answers the question Why do men crave surrendering to a dominant woman Hear from the men themselves as they reveal their most intimate desires Learn why so many secretly fantasize about being dominated by a woman Delve into their experiences with Dominatrices and see what keeps them coming back for more *Yes Mistress* shines a spotlight on the everyday men who seek to explore their submissive fantasies an aspect of sexuality that often goes unacknowledged despite a long history and deep psychological roots Set at the crossroads of psychology culture history and media this book challenges society's perception of BDSM kink and fetish Male submission is more common than you think and more rewarding than you can imagine *What Philosophy Can Tell You About Your Lover* Sharon M. Kaye, 2012-05-08 Be warned in your journey through this volume you will encounter many true stories Some will make you laugh others could make you cry and all are enough to thoroughly embarrass the authors These stories would never be allowed to see the light of day if they did not open the door to important truths about love The authors speak to you sometimes in their own voices sometimes through dialogue and sometimes through fiction You will recognize yourself in their struggles and triumphs Can the good life be attained without true love What is jealousy Is it possible to be a feminist and a heterosexual lover at the same time What is the logic of the lovers quarrel Is rough sex immoral Is pornography a great lover's friend or a foe What did Plato Aristotle Kant Nietzsche Russell Beauvoir and other great geniuses of Western history have to say about what goes on under the boardwalk Is there any freedom in love Is erotic desire a function of body or spirit What is the best kind of love Is there such a thing as a soul mate You will have to face these questions and more when you dare to ask what philosophy can tell you about your lover Everyone who has experienced it knows that romantic love truly is a crazy little thing It keeps us awake at night and makes us do things we would never have dreamed we were capable of In this volume twenty five philosophy professors are gathered together to discuss various connections between romantic love and philosophy They have left their tweed jackets and spectacles behind It is as though you have run into them by chance at a bar in some far away city where they are at ease ready to tell you what they really think Perhaps you have taken a few philosophy classes or perhaps you always kind of wanted to This is your chance to enjoy some deep reflection on one of life's greatest mysteries without any of the scholarly jargon the academic pretenses or the impossible exams This volume will explain the lasting value of their ideas in simple modern terms without the use of a single footnote **New York Magazine**, 1986-09-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and

excitement of the city itself while celebrating New York as both a place and an idea *Time* Briton Hadden, Henry Robinson Luce, 2004 **New York Magazine**, 1988-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Cue, 1976 **The New York Times Index**, 2006 **Dominant Female Submissive Male** Sophia James, 2019-04 Why do Women even very attractive women stay in relationships with Men who treat them badly Is it low self esteem or a desire to submit to a dominant man A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right In my case it was the latter I wanted the big handsome hunky guy who would sweep me off my feet treat me like a princess in public and his sex slave in the bedroom But as most women find out life is not a fairy tale A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman's job is just to supply sex and child care WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE I didn't realise it until I was thirty five and until that point I put up with my men coming home drunk wasting my money getting fatter and more abusive and providing me with increasingly disappointing sex I put up with it no longer I now have a man who sees it as his principle aim in life to keep me happy contented wealthy and sexually satisfied I have known my man for most of my life but he only became my boyfriend seven years ago During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female And my boyfriend is also my slave In this book I explain how all this came about The book is more about personal transformation and female empowerment than it is about kinky usually fictional sexual fantasies The success of the book *Fifty shades of grey* shows the interest there is out there in an alternative discipline based life style and emphasises that many women share that interest Unlike *fifty shades of grey* *Dominant Female Submissive Male* is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye opener for frustrated women as it shows them the glorious very exotic and exciting life they could have While some submissive men are slightly pathetic and even creepy many are romantic kind hearted reliable and good fun They adore and respect women and see it as their role in life to support them What's not to like about that They will have a desire for discipline and this desire will be inextricably linked to their sexual nature For some this will be extreme and involve heavy BDSM but for most it will involve safe erotic role play and spankings The point is that Women control when how and even if it happens Women have the power in all aspects of the relationship and how they exercise that power is up to them Believe me once you have a man on his knees begging for an orgasm you will never look back But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when with a little change of emphasis their

dreams are so easily achievable This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving fulfilling and very kinky relationship It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her It also explains how to tell your wife about your desire for female domination and more importantly how not to It also offers cautionary tales and about how not to get ripped off by unscrupulous con artists The central aim of the book however is to bring together good men who have a desire for female domination with good women looking for a lover who will provide happiness support fun excitement and success Please click on the look inside feature for a preview **2 Elegant, 2**
