Newcomer to the Horse World Andrea

Sinner,2024-11-05 Andrea Sinner embarked on her equestrian journey at age 30 while navigating an all consuming global consulting career A neophyte with little to guide her but passion she found the horse world s customs and complexities challenging After 25 years of hard earned lessons and continuous growth Sinner now shares the wisdom she fought to gain along the way with a book for adults who are newcomers to the equestrian lifestyle as she once was Whether riders themselves or the parents of horse crazy children the equestrian realm can be daunting and often perplexing to those beginning their journey with horses Luckily Sinner s book serves as a comprehensive insider s guide offering a sensible pathway to enjoying the company of horses while always advocating for their welfare Sinner s advice is clear and on point helping readers confidently find their place among both the professionals and the lifelong enthusiasts in this unique world Rather than focusing on horse care or riding topics she acknowledges are well covered in existing published works Sinner aims to help readers integrate smoothly into the equestrian community on their own terms She deftly demystifies the often bewildering culture traditions conventions and unwritten rules and offers watch outs to help shield the novice from the less savory characters and practices that unfortunately can be encountered in the industry You ll find advice on Appreciating the unique language relationships and responsibilities Defining your values boundaries and objectives Understanding the financial costs including most importantly exceptional horse care Finding the right barn trainer and horse Building a quality horse care team Being a good client and member of the barn Preparing for the psychological elements of the sport And much more Throughout Sinner delves into what it means to intend to do right by horses and guides readers on extending their involvement in the sport only as far as that intention can be realized Learn how to form deep connections and elevate your time spent with horses and horse people from a hobby to a transformative journey Whether taking up riding for the first time ever or in many years or guiding a horse crazy child through the maze of learning to ride Sinner s thorough and thoughtful book promises positive experiences and happy moments in the barn at the ring and in the company of your horse
