icon that started it all is the most popular off road vehicle of all time The look style and functionality of the CJ made it  
instantly popular and recognizable the world over in no doubt partly due to its military presence in World War II The Jeep  
Wrangler platform had the difficult task of replacing the extremely popular CJ platform Outwardly similar in appearance the  
YJ TJ and JK that followed all had significant design improvements as can be expected when a platform has a life span of  
more than five decades The YJ was the first Chrysler release after it purchased AMC in the mid 1980s and it was aimed at  
taming the original CJ for more comfort and arguably a larger audience The TJ that followed next was an evolutionary update  
significant in that it featured a coil spring suspension and the celebrated return of round headlights for a more traditional  
look compared to the square lights of the YJ In *Jeep TJ 1997 2006 How to Build Modify* everything you need to know about  
how to modify your TJ for off road use is covered Beginning with why you should choose a TJ for modification Jeep expert  
Michael Hanssen takes you through all the different systems needing modification including engine modifications and swaps
