*The Faith of Barack Obama* Stephen Mansfield, 2011-11-21 You must read this perceptive and well written book Then you will know why Barack Obama has such a passion for justice and equity Archbishop Desmond Tutu Barack Obama The speculation about his religious life abounds Is he a closet Muslim Is he really a Christian Did his faith have anything to do with his governing As the picture of President Obama s faith has emerged questions about the foundation of his beliefs continue to ignite debate In this updated edition of his international bestseller *The Faith of Barack Obama* New

York Times bestselling author Stephen Mansfield explores the claims of Obama's detractors and supporters alike while examining how the challenges of the presidency shaped Obama's religious beliefs. This evenhanded account of the former president's spiritual life provides a closer look at the people and events that have influenced his belief system. Mansfield analyzes Obama's friendship with the controversial Jeremiah Wright and also profiles the Christian leaders who offered guidance and support during the president's challenging term. Mansfield takes you inside the religious life of Barack Obama, introducing you to the type of preaching the president heard at Camp David and even revealing details such as the content of the daily devotional readings the former president received on his cell phone. This fascinating study explains the faith elements within Obama's politics while acknowledging the questions about his beliefs that remain unanswered. Mansfield presents an analysis of Obama's distinctly postmodern journey that will generate valuable discussion across the religious spectrum.
