

Observing Human Traits Lab

How much do you carry in your appearance?

Traits are physical characteristics you inherit from your parents. In this investigation, your appearance and inheritance of your observable traits and comparing them to the characteristics listed on your characteristics. Record them determine their frequency of dominance among your ethnic population.

Observing your own traits:

a. The graphic below shows seven different human observable traits. Each description lists two different traits. Study the listed features then follow the procedures on study.

b. Working with a partner, observe each other that you have for characteristics of heredity? Circle your trait of each characteristic on Table 1. For finger trait, record your hair color and hair color of your own skin, perhaps finger trait.
