Oceans Where Feet May Fail Notes:

Letters to an Activist Stephanie Clark, 2019-03-13 It's human nature to see a social injustice and want to fix it but that isn't always the answer. The real lasting social change begins when we humbly show up and do the work that's needed behind the scenes. In Letters to an Activist author Stephanie Clark provides insight into advocacy work and shares what it takes to become an activist. While sharing her story and her coming into consciousness, she tells what compassion ministry is all about, offering suggestions and advice to help guide anyone on their journey into activism. Clark offers a blueprint to be followed by those driven to be the change they want to see in the world. Letters to an Activist discusses ways to roll up your sleeves and get your hands dirty by serving others in need. It teaches what it means to become an activist who fights for social change, sustains life, discovers joy, and finds great hope in the future.

Trust Without Borders Pamela J. Alexander, 2016-05-23 In 1980, Pamela Alexander and her husband Jimmy felt led by God to open a bed and breakfast and were led to Psalm 37 within a short time of that calling. Through this passage, they learned how to wait upon the Lord and how best to prepare and build a B B. Meanwhile, they trained in the art of hospitality and grew in His wisdom. Thirteen years later, they opened the Alexander Bed Breakfast. Acres ABBA Trust without Borders presents an exploration of Psalm 37. In this study, Pamela examines how God wants us to trust Him with all of our being, showing that when we worship Him in that obedience, He blesses us abundantly with joy and peace. She reveals that trust is our gift back to God and that He is pleased by the beauty of a trusting heart and that trust demonstrates the meaning of living by grace rather than works. She also considers these questions: Is it trust only when we get our way? How do trust and entering His rest come together? Why is gratefulness a foremost quality of a trusting follower of Christ? Join Pamela in fellowship and in study of God's Word and learn how to trust God with everything and every need of your life.

The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and in some circles, controversial religious organizations/movements of the past

thirty years Although it has received significant attention from both the academy and the popular press the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social cultural political spiritual and religious milieus it inhabits This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives In doing so it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries **God on Mute** Pete

Greig, 2020-09-22 An honest soul searching pursuit of biblical answers to one of Christianity's most challenging questions What do you do when God meets your prayers with silence Many of us have struggled with prayers that seem to go unanswered and Pete Greig has been down that difficult road of doubt This book is both intensely personal and deeply theological a book born out of his wife Sammy's fight for her life after a horrifying diagnosis The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer how to respond when there seem to be no answers and how to cope with those who seek to interpret our experience for us For those struggling with prayer *God on Mute* brings a message of hope and comfort but also a better understanding of how we communicate with our Creator Using the timeline of Holy Week from Maundy Thursday through Easter Sunday as a template Greig explores four main questions about prayer from all angles How am I going to get through this Why aren't my prayers being answered Where is God when he seems silent When every prayer is answered what does that mean Silence in response to our most heart felt prayers is the hardest thing for a person of faith to wrestle with The world collapses Then all goes quiet Words can't explain what we're going through People avoid you and don't know what to say So you turn to Him and you pray You need Him more than ever before But somehow even God Himself seems on mute And this sinks into us with a sense of futility But even in this crushing silence there is a way forward Here is a story of faith hope and love beyond all understanding Includes guide for group discussion *Immeasurably More*

Cris Rogers, 2015-03-20 We box Jesus in We say This is how he works In answer to all the ways we aim to control define and understand him Jesus reminds us that he has immeasurably more to offer How often do we feel like we are at the end of our energy Not only physically and emotionally but also spiritually Some of us have been running this race for so long that we feel dangerously dehydrated Jesus is calling all of us into a radical empowered life that we couldn't ever achieve in our own strength Jesus tells his church that there is immeasurably more on offer than just a religious life a good life or a moral life There is more to offer our families and friends more to offer our neighbourhoods Jesus offers us an immeasurably more powerful and beautiful life To a dehydrated church Jesus announces there is always more *Open When...* Noel

Jansen, 2024-03-21 Do you struggle to trust God amid life's crashing waves of disappointment tragedy and pain Have you found yourself feeling discouraged or full of self doubt We all experience highs and lows throughout life that can create inner turmoil and external conflict Trying to find peace through the chaos can sap our energy and leave us feeling hopeless or alone Filled with personal narratives and practical application *Open When* offers an authentic and compassionate message

that will help you navigate through life experiences with faith and hope Author Noel Jansen encourages you to engage in self reflection sharing pieces of her own imperfect journey through which she questioned and ultimately learned to rely on God s promises As the biblical truths unfold and words of encouragement wash over you in this topical study the groundwork is laid for a deeper relationship with our gracious and loving God It is within this foundation of faith that we can find joy and peace within the sea of life s uncertainty **The Routledge Handbook of Megachurches** Afe Adogame,Chad M.
