Loving and Leaving a Church Barbara Melosh, 2018-07-24 Barbara Melosh s story was a common one A second career seminarian she arrived at her first pastorate brimming with enthusiasm and high hopes The blue collar congregation to which she d been called had a glorious past but an uncertain future Certain that she could turn around its slow yet undeniable slide into decline Melosh inaugurated a number of church growth and outreach programs Most of these efforts had little effect and the ones that did seem to work soon suffered reverse outcomes and eventual demise In the end Melosh

had to conclude that the members of the congregation liked their church the way it was and that she could not drag them into a future they did not want Yet while the congregation failed to change itself Melosh notes it succeeded in changing her Simply put it made her a pastor At times heartbreaking and hilarious *Loving and Leaving a Church* offers a glimpse into the challenges and opportunities of ministry in a mainline church *The Epworth Herald* ,1892 **The Lutheran Observer** ,1901 **The Morning Star and Free Baptist** ,1905 **The Presbyterian** ,1905 The Christian Student Bp.
