TASER® Conducted Electrical Weapons: Physiology, Pathology, and Law Mark W. Kroll, Jeffrey D. Ho, 2009-02-27 TASER Conducted Electrical Weapons are rapidly replacing the club for law enforcement control of violent subjects within many countries around the globe A TASER CEW is a hand held device that delivers a 400 volt pulse with a duration tuned to control the skeletal muscles without affecting the heart at a distance of up to 6 5 meters over tiny wires If necessary it begins with an arcing voltage of 50 000 V to penetrate thick clothing the 50 000 V is never delivered to the body itself Due to the widespread usage of these devices and the widespread misconceptions surrounding their operation this book will have significant utility This volume is written for cardiologists emergency physicians pathologists law enforcement management corrections personnel and attorneys

**The Secret Files: Bill Deblasio, The NYPD, and the Broken Promises of Police Reform** Micheal Hayes, 2025-05-13 An unprecedented breakdown of the NYPD s powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have suffered a political setback it's New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police

Policing and Minority Communities James F. Albrecht, Garth den Heyer, Perry Stanislas, 2019-07-31 This insightful book examines the allegations against the professionalism transparency and integrity of law enforcement toward minority groups from a global perspective It addresses the challenges inherent in maintaining strong ties with members of the community and draws attention to obstacles in ensuring public confidence and trust in rule of law institutions Most importantly the book provides insight into mechanisms and proposals for policy reform that would permit enhanced police community partnership collaboration and mutual respect Acknowledging the consistency of this concern despite geographic location ethnic diversity and religious tolerance this book considers controversial factors that have caused many groups and individuals to question their relationship with law enforcement The book examines the context of police community relations with contributed research from Nigeria South

Africa Kosovo Turkey New Zealand Mexico Scandinavia and other North American and European viewpoints It evaluates the roles that critical factors such as ethnicity political instability conflict colonization mental health police practice religion critical criminology socialism and many other important aspects and concepts have played on perceptions of policing and rule of law A valuable resource for law enforcement practitioners and researchers policy makers and students of criminal justice Policing and Minority Communities Contemporary Issues and Global Perspectives confronts crucial challenges and controversies in policing today with quantitative and qualitative research and practical policy recommendations
