Oa Framework Personalization Guide:

A Practical Guide to Implement Oracle E-Business Suite Anant Porwal, 2016-09-26 Planning, executing and controlling the implementation process for Oracle E Business Suite is no easy task but done right can do wonders for your business. Anant Porwal, a certified master in Oracle Financials with twenty years of experience helping businesses implement the suite of applications, provides a comprehensive blueprint to get the most value out of the product with this implementation guide. The first section highlights high-level features of core Oracle E Business Suite applications, including various technology pieces. It also explains how the applications allow for flexibility in accounting and in processing transactions. The second section explores how to implement the suite of applications from identifying the goals you want to achieve, selecting and building an implementation team, designing an implementation process, documenting and tracking progress, and taking the necessary steps to ensure implementation is a success. *A Practical Guide to Implement Oracle E Business Suite* is a must-read for all members of companies planning Oracle implementation, including stakeholders, project managers, team members, and consultants alike. It provides insight into the intricacies and efforts for implementing very complex packages: Oracle E Business Suite, *The Release 12 Primer - Shining a Light on the Release 12 World*. Barbara Matthews, John Stouffer, Karen Brownfield, 2008-07-18 If you've been thinking about installing or upgrading to Release 12 but need to understand more about why you should do so, this is the book for you. For functional users, *The Release 12 Primer* highlights the modules that have changed the most. Read about Oracle's Global Business Release, Master Data Management, MOAC, and the Swan Interface. Then see how it all comes together for the Financials and Procurement product families, Supply Chain Management, CRM, and Projects. And if you've always wanted to understand more about the underlying technology but found all the terminology too complex to sort through, this book covers the technical architecture, security issues, and even Fusion targeting. Both functional and technical readers will find *The Release 12 Primer* provides the real story on the latest version of the Oracle E Business Suite and its technical underpinnings. If you only buy one book on Oracle E Business Release 12, buy this one. Floyd M. Teter, Systems Engineer, JPL. **Oracle Self-Service Applications** Melanie Anjele Cameron, 2010-05-06 Maximize the capabilities of Oracle Self-Service Applications. Get complete coverage of Oracle E Business Suite's self-service modules, including Oracle iProcurement, Oracle Internet Expenses, Oracle iSupplier Portal, and Oracle iReceivables. Inside this Oracle Press guide, *Oracle Self-Service Applications* discusses the features of each module and how they benefit organizational workflow and reviews common implementation considerations that apply to all the applications. The book also provides detailed configuration instructions, explaining each screen and field. Learn how to set up and use Oracle iProcurement for automating both the requesting and approval of requisitions, Oracle Internet Expenses for streamlining the entry, approval, and auditing of expense reports, including credit card processing, Oracle iSupplier Portal to allow secure supplier collaboration, Oracle iReceivables to enable customers and employees to review account information online.
