Contributors represent a wide range of fields from psychiatry and gerontology to public health and public policy, reflecting the scope and needs of this diverse and complex population. Among the topics in the Handbook: Family relationships of older LGBT adults; The intersection of identities, race, age, sexuality, and care network; Bisexuality: an invisible community among LGBT elders; Implications of the Supreme Court ruling on same-sex marriage; No money, no work, and you're old; Disabilities among LGBT elders; responses of medicine, public health, rehabilitation, and social work.
