Law & Liberty: A Biblical Look at Legalism Don Kistler,John MacArthur,Steven J. Lawson,Joel Beeke,Richard D. Phillips,Phil Johnson,Jim Elliff,Kenneth Talbot,Bruce Bickel,2015-03-16 The authors in this compilation address the issue of legalism from a variety of angles John MacArthur shows first that obedience to God is not an issue of legalism but an issue of love In his second chapter he deals with the inevitable response of people who are confronted with Biblical standards Judge not that ye be not judged Here MacArthur shows what our Lord meant when He said that and shows what biblical discernment really is that there is a vast difference between judgmental and holding people accountable to God s standards Phil Johnson in his first chapter deals with Christian liberty In his second chapter he takes a critical look at two kinds of legalism then explores the relationship of Christian love and Christian liberty Joel Beeke shows that enthusiasm for God s law is not necessarily legalism One can be zealous without being legalistic As David wrote Oh how I love Thy Law Bruce Bickel explains that legalism is due to a weak understanding of what Christ accomplished on the cross Jim Elliff makes clear that legalism is an attack on unity within the Body of Christ particularly local congregations Ken Talbot helps us to see that legalism is inconsistent with and incompatible with the doctrine of justification by faith alone He points out that the doctrine of free will leads to this dangerous position Rick Phillips explores the relationship to loving God and obeying His law Some today believe that love is all that matters and that the law as a guideline to love is extinct Then this author shows that Biblical sanctification is the antidote to and the opposite of legalism Steven J Lawson shows that legalism is the result of holding to man made traditions over the truth of God s Word Second he points out how dangerous and deadly a thing legalism is and

**Fallen** Dr. Ronnie Edwards, 2017-10-17 Presently there is a growing fascination with angels They have captured the attention of people and raised their curiosity Many people disbelieve in the reality of angels However angels are real they are not just imaginary figures as confirmed by the Bible America has been inundated with a fascination for angels Every year there are conferences seminars and college courses on angels Angels have become so popular that the networks are making movies about them for example Ghost Touched by an Angel just to name a few Today Satan is working through his unholy angels to destroy the child of God and to thwart the plan of God However through Christs death on the cross Satan and his demons are defeated and are waiting for their final judgment Yet in the meantime they are doing all they can to destroy as many as possible
