T.E. Lawrence in Lincolnshire John Pateman, 2012-06 This is the story of T E Lawrence Lawrence of Arabia as Aircraftman T E Shaw at RAF College Cranwell in Lincolnshire from August 1925 December 1926 **The Savage Detectives Reread** David Kurnick, 2022-02-01 The Savage Detectives elicits mixed feelings An instant classic in the Spanish speaking world upon its 1998 publication a critical and commercial smash on its 2007 translation into English Roberto Bola o s novel has also been called an exercise in 1970s nostalgia an escapist fantasy of a romanticized Latin America and a publicity event propped up by the myth of the bad boy artist David Kurnick argues that the controversies surrounding Bola o s life and work have obscured his achievements and that The Savage Detectives is still underappreciated for the subtlety and vitality of its portrait of collective life Kurnick explores The Savage Detectives as an epic of social structure and its decomposition a novel that restlessly moves between the big configurations of states continents and generations and the everyday stuff parties jobs moods sex conversation of which they re made For Kurnick Bola o s book is a necromantic invocation of life in history one that demands surrender as much as analysis Kurnick alternates literary critical arguments with explorations of the novel s microclimates and neighborhoods the little atmospheric zones where some of Bola o s most interesting rethinking of sexuality politics and literature takes place He also claims that The Savage Detectives holds particular interest for U S readers not because it panders to them but because it heralds the exhilarating prospect of a world in which American culture has lost its presumptive centrality **The New Age** Alfred Richard Orage, Arthur Moore, 1911

Danon,2020-01-08 Originally published in 1985 this book traces the development of an ideal of work in English writing which runs parallel to that of the Protestant work ethic The author has called this the myth of vocation work is seen as the primary source of self definition psychic integration and fulfilment The root and the purest form of the idea is to be found in Robinson Crusoe This work so seminal in many ways presents a prototypical middle class hero caught in a conflict between the impulse to adventure and that to create and make profits The conflicts articulated in this work are picked up more or less explicitly by more than one of the great Victorian novelists This book treats in detail several paradigmatic examples deriving its terms of reference from modern sociological treatments of work and its effects on persons The gospel of work need not result in capitalistic or protestant attitudes but is compatible also with communistic ideas This study serves to revalue the concept of work as a humanistic activity as well as offering a subtle reading of major works of literature *Good Housekeeping* ,1922
