

OCR (A) Biology A-level

Module 1: Development of practical skills in Biology

PAG 9: Qualitative Testing

Please note: You only need to do one from each PAG, and you don't need to do the PAGs listed here, as long as you show the same skills that these are testing (see Sf of the specification for more information). However, you need to at least be able to design your own method for most of these experiments in the exam.
