Multilingual Computing & Technology ,2005 Multiple Affordances of Language Corpora for Data-driven Learning

Agnieszka Leńko-Szymańska,Alex Boulton,2015-05-15 In recent years corpora have found their way into language instruction albeit often indirectly through their role in syllabus and course design and in the production of teaching materials and other resources An alternative and more innovative use is for teachers and students alike to explore corpus data directly as part of the learning process This volume addresses this latter application of corpora by providing research insights firmly based in the classroom context and reporting on several state of the art projects around the world where learners have direct access

to corpus resources and tools and utilize them to improve their control of the language systems and skills or their professional expertise as translators Its aim is to present recent advances in data driven learning addressing issues involving different types of corpora for different learner profiles in different ways for different purposes and using a variety of different research methodologies and perspectives The Direct Marketing Market Place ,1984 **Library Media Connection** ,2003 **PC** ,1989-03 **Telephone and Service Directory** National Institutes of Health (U.S.), **Photonics Spectra** ,1988 **Library & Information Science Abstracts** ,1994
