

CLP-325W

Color Laser Printer

Color laser printing gets smaller and more brilliant.

Small and Stylish

The beautifully designed Samsung CLP-325W has a small 12.0" x 9.6" footprint, to fit comfortably and stylishly on a credenza, a cabinet or a corner of your desk.

One Touch WPS Connection

Connect quickly and securely to your wireless network with the touch of a button, via the CLP-325W's WPS Protected Setup (WPS). Simply select WPS on your WPS-supporting router, then press the One Touch WPS button on your CLP-325W.

Brilliant Prints with Innovative Polymerized Toner

Samsung's innovative polymerized toner delivers outstanding print quality. The toner particles are smaller and more uniform, resulting in crisp lines and more subtly blended tones.

More Cost-Efficient Color Printing

Samsung's polymerized toner process involves a pre-bake and fine baking, which protects prints against fading and smudges, while reducing paper curl and jams. That means less waste and less downtime. This highly efficient process also results in lower power consumption.

Energy Efficient

Samsung is committed to creating more efficient, more environmentally conscious technologies. From manufacturing to shipping to the way your product operates, we're always looking for a better way of doing things.

The ultra-compact Samsung CLP-325W color laser printer offers more in a smaller space. A One Touch WPS button makes connecting to your wireless network simple, while Samsung's innovative polymerized toner delivers outstanding, professional color. Smaller, more efficient, more impressive color printing. Brilliance from Samsung. **Business. Innovated.**
