Intimate, breathtaking, and outrageous, this is the essence of the Red Hot Chili Peppers. I am struck with the moments of these photos, the feelings of the times they were taken, and where we were at on our beautiful and happy-sad journey. It's pretty fucking heavy, actually, like thinking how much we have changed over the years and all the different dynamics of our lives that shaped us and also realizing so clearly that nothing has changed at all; we're all still just trying to get it on, make something great. It is all here, nothing can hide all the honesty, the pretense, the courage, and one of a kind, the unbridled joy, the melancholy, and the shields we put up to shelter our scared, vulnerable little selves.
