The Routledge Handbook of English Language and Digital Humanities Svenja Adolphs, Dawn Knight, 2020-04-16 The Routledge Handbook of English Language and Digital Humanities serves as a reference point for key developments related to the ways in which the digital turn has shaped the study of the English language and of how the resulting methodological approaches have permeated other disciplines. It draws on modern linguistics and discourse analysis for its analytical methods and applies these approaches to the exploration and theorisation of issues within the humanities. Divided into three sections, this handbook covers sources and corpora, analytical approaches, English language at the interface with other areas of research in the digital humanities. In covering these areas, more traditional approaches and methodologies in the humanities are recast and research challenges are re-framed through the lens of the digital. The essays in this volume highlight the opportunities for new questions to be asked and long-standing questions to be reconsidered when drawing on the digital in humanities research. This is a ground-breaking collection of essays offering incisive and essential reading for anyone with an interest in the English language and digital humanities.

Highway Safety Literature, 1979 National Library of Medicine Audiovisuals Catalog National Library of Medicine (U.S.), *Emergency Department Compliance Manual, 2019 Edition* McNew, 2019-04-23 Emergency Department Compliance Manual provides everything you need to stay in compliance with complex emergency department regulations including such topics as legal compliance questions and answers, find the legal answers you need in seconds, Joint Commission survey questions and answers, get inside guidance from colleagues who have been there, hospital accreditation standard analysis, learn about the latest Joint Commission standards as they apply to the emergency department and reference materials for emergency department compliance. The Manual offers practical tools that will help you and your department comply with emergency department-related laws, regulations, and accreditation standards. Because of the Joint Commission's hospital-wide, function-based approach to evaluating compliance, it's difficult to know specifically what's expected of you in the ED. Emergency Department Compliance Manual includes a concise grid outlining the most recent Joint Commission standards which will help you understand your compliance responsibilities. Plus, Emergency Department Compliance Manual includes sample documentation and forms that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards. Previous Edition: Emergency Department Compliance Manual 2018 Edition ISBN 9781454889427
