Teaching Poetry in a Digital World Stefani Boutelier, Sarah J. Donovan, 2025-04-30 Teaching Poetry in a Digital World supports English language arts ELA educators for grades 6-12 to incorporate digital literacy in their classrooms by teaching the reading and writing of poetry. In an increasingly digital age, educators must adapt to meet the changing needs and interests of their students by incorporating technology into the classroom. This book introduces its audience to the ePoetry Framework. This framework demonstrates how poetry might present itself in a literacy-based unit with the benefit of a technology medium to share with the world. Examples include teaching zip-ode poetry incorporating haiku with the creation of GIFs and ethically discussing AI with nonet poems. With adaptable lesson plans and assessments as well as educator examples, the book will inspire teachers to create intentional student-centered ePoetry units. The book is aligned with ELA literacy standards, International Society for Technology in Education (ISTE) educator standards, and National Council of Teachers of English (NCTE)'s position statement for integrating technology into ELA classrooms. It is a key resource for secondary school educators teaching ELA creative writing and digital media. *Big6, Large and in Charge* Annette C.H. Nelson, Danielle N. DuPuis, 2013-03-21 This book helps teachers and teacher librarians effectively collaborate to teach students the concept of the Big6 and complete research projects in meaningful and memorable ways. Utilizing the popular and familiar illustrated graphic novel format that appeals to young learners, Big6 Large and in Charge Project Based Information Literacy Lessons for Grades 3-6 is a book of collaborative unit plans for teacher librarians and teachers that includes all the reproducible materials needed to implement the units. The units are based around the Common Core State Standards, AASL Standards for the 21st Century Learner, and other national content standards. Developed by two library media specialists with extensive experience in creating educational and entertaining lesson plans for teachers, the book takes the concept of Big6 a step further by transforming the process into an engaging character who drops in to help students solve the problems. The exercises presented are based on interesting realistic situations and are specifically designed to encourage critical thinking. Activities for a Differentiated Classroom Level 4 Wendy Conklin, 2011-02-01 Easily implement grade-appropriate lessons suitable for Grade 4 classrooms. Based on current research, these easy-to-use lessons are based on a variety of strategies to differentiate your instruction. Activities are included to allow access to all learners. Includes interactive whiteboard-compatible Resource CD with sample projects, templates, and assessment rubrics. 160pp plus Teacher Resource CD. Differentiating Instruction Cheryll M. Adams, Rebecca Pierce, 2006 This easy-to-use teacher-friendly book is a must-have for any educator wanting to differentiate instruction in the gifted or regular classroom. Tiering lessons is a practical, easy, and efficient way to ensure the various needs and learning levels of elementary students are met.
