**The Practice of British Geology, 1750-1850** Hugh Torrens, 2024-10-28 Geology is the most historical of all sciences Yet its own history remains neglected especially the many aspects of how geology was practised in the past This volume analyses the careers of some important practical figures in English Welsh Scottish and Irish geology between 1750 and 1850 These include people who would have regarded themselves more as mining engineers or coal viewers as they were then called in the vital coal industry or mineral surveyors as today s mineral prospectors were first called from 1808 or even inventors Their expertise in the land which led the industrial revolution took them all over the world Those included here went to Italy and South Peru and North America Virginia and Canada The practice of geology through the search for mines and minerals has been much less attended to by historians than the geology which was undertaken by leisured amateurs even though practical geology was as important in the past as the oil industry is today

*Someone Said Parental Alienation* Jean Mercer, 2025-02-25 This book introduces readers to the concept of parental alienation PA a belief system that is used with increasing frequency in judicial child custody and parenting plan decisions PA is essentially a legal concept without validated psychological definition assuming that children who resist contact with one divorced parent have in many cases been brainwashed or persuaded to do so by the machinations of the preferred parent PA proponents assert that courts should transfer child custody to the avoided parent and prohibit contact between the child and the preferred parent Unfortunately the outcomes of such decisions as reported by parents and their now adult children suggest that application of the PA concept is neither safe nor effective as a response to children s resistance to contact with a parent Providing an overview of the concept of parental alienation methods of identifying PA cases and court ordered treatments for children and parents the book uses seven case study chapters each introduced with a brief recapitulation of the issues and closed with a summary of events to offer suggestions about desirable family court changes This is the first book to tell a range of stories about the experiences of fathers mothers and children who have been separated and subjected to PA interventions after allegations have been made It will be of interest to professionals practicing in psychology psychiatry social work counselling law and the judiciary and anyone involved in research and in legislative efforts relevant to family courts

[Doted on by the Mafia Boss](#) Asmitha, Out of humanity she saved his life but what did he do to her instead of thanking her he took her in as his prisoner But she had no problem with it She was more than just happy as long as she could adore this stone faced Adonis from a close radius Wearing a pink hoodie and holding a candy she would run around pestering that iceberg like man Mr Nguyen can you buy me a teddy Mr Nguyen can you change the curtains to

pink Mr Nguyen can I take your heart Little girl are you aware The man you are fooling around with is the ruthless leader of the Mafia gang which rules over the shady underground community Seems like she had no effect of this dark identity of this man Okay this was bearable What made them have a jaw drop was when their heartless boss who hardly let any woman near him was especially doting and caring towards this little prisoner It was after she came they realized that their boss too had a heart which was capable of loving a girl But Why this little fool who didn t even have an identity Did she really move his heart or resembled someone hiding in his heart

*Biography of Ryan Giggs* Frank Worrall,2013-06-03 The story of the most decorated player in English soccer history with 11  
 Premier League titles two Champions League victories and four FA Cup winner's medals to his nameGiggs is an astonishing  
 player with an unparalleled career and here is his amazing story By the time he made his Manchester United first team  
 debut at 17 many consideredGiggs to be the greatest talent since George Best By the advent of the Premier League in 1992  
 he was firmly established as United's left winger a position he continued to dominate until late in his career when Ferguson  
 switched him to a deeper role in central midfield Famed for his pace and skill on the ball Giggs has scored vital goals  
 throughout his career most notably his incredible solo effort in the 1999 FA Cup semi final replay against Arsenal He was an  
 integral part of the historic 1999Treble winning side and is the onlyMan Uplayer to have played in both the 1999 and 2008  
 Champions League victories Giggs eclipsed Bobby Charlton's record in April 2009 when he made his 800th appearance for  
 United That year also brought his 11th Premier League winner's medal and the PFA Player of the Year award Giggs has  
 scored nearly 150 goals for United and his incredible record with the club has ensured that he will go down in history as one

 Abrams ,2014-09-10 20 year old Ryan is finally getting his life on track Despite a challenging and fatherless childhood he

didn't settle for being a statistic. Instead, he's about to graduate from college with honors. He has a bright future as a gifted skateboarder. To top it all off, he's got a date with Jill, the girl of his dreams. Lexie is a beautiful and talented 19-year-old who has everything: two loving and supportive parents, a great group of college friends, and a promising career in dance. In fact, if all goes well, she could nab a spot in a coveted ballet company. What could Ryan and Lexie possibly have in common? Unbeknownst to them, their lives are about to collide in a way that neither of them could have ever imagined. Together, they must pursue the need to rise above to seek a resolution and to find the way. *Nolan Ryan* Rob Rains, 1998-12. Ryan pitched for four different teams and in four different decades but always managed to attract the attention of the media. As a wild fireballing rookie with the New York Mets who soaked his fingers in pickle brine as a rising star with the Angels who dispensed snake oil in the clubhouse, broke Sandy Koufax's records, and pitched four no-hitters within two years as the established power pitcher in Houston who pitched a record 5th no-hitter in and continued to chalk up strikeouts, and as the ageing but still dominating Texas Ranger who passed the 5,000 strikeout mark and pitched his sixth and seventh no-hitters after his 40th birthday. This book relives the highlights of a 27-year career: The no-hitters, the landmark strikeouts, the records, and the man who was The Ryan Express. **Disability Representation in Film, TV, and Print Media** Michael S. Jeffress, 2021-08-19. Using sources from a wide variety of print and digital media, this book discusses the need for ample and healthy portrayals of disability and neurodiversity in the media as the primary way that most people learn about conditions. It contains 13 newly written chapters drawing on representations of disability in popular culture from film, television, and print media in both the Global North and the Global South, including the United States, Canada, India, and Kenya. Although disability is often framed using a limited range of stereotypical tropes, such as victims, supercrips, or suffering patients, this book shows how disability and neurodiversity are making their way into more mainstream media productions and publications, with movies, television shows, and books featuring prominent and even lead characters with disabilities or neurodiversity. **Disability Representation in Film, TV, and Print Media** will be of interest to all scholars and students of disability studies, cultural studies, film studies, gender studies, and sociology, more broadly. **Ryan's Legacy** J. J. Southwell, 2013-05-17. After the loss of her son, J.J., followed her thirst for information on the afterlife: Heaven, reincarnation, and past lives. She received Reiki, hands-on energy healing treatments, and subsequently became a Reiki Master teacher so she could treat others. J.J. also practiced angel card therapy daily for herself and others if they were interested. While visiting four psychic mediums and a tarot card reader, J.J. spoke to her son, receiving amazingly accurate information from him and other spirits that helped her with her healing. She will share this inspiring information with you. J.J. details the first three years after Ryan's passing and hopes that relaying her trials and suggestions for dealing with them will assist YOU on your healing journey too.
