Skia Arindam Bandyopadhyay, I know what you are up to But stop look into the air around What do ye see Layers of dust and gas Well look minutely Can you notice them now Can you see the thought bugs zillions of them dancing on the tree branches jumping from the rooftop and lolling on the sidewalk Psst A small one just slipped inside your trouser pocket Such wily kids they are Tell them you are not Avin and that you have no intention to cleanse the thought clouds Or preempt violence or track down serial offenders or salvage victims Tell them you ll send a message if you spot Avin across the street And even then if they don t listen to you well shake your legs tiptoe out of their reach and run for life **Adventures in**
